Being thirteen is happy, sad, humiliating, surprising, wonderful, awful, exciting, boring -- in other words, full of ups and downs. The thirteen-year-olds in Gary Soto's thirteen stories experience all this and more. In one story, a girl's world is turned upside down when she visits a college campus where she expects to find a rarified atmosphere of intellectual pursuit, only to meet a tour guide who is tattooed, overly pierced, hungover, and not at all focused on academics. In another, two girls test the attraction of their new bodies by flirting with boys at a mall and then find themselves in an uncomfortable and somewhat frightening situation. The stories in this book are about family relationships, friendships, self-worth, and questions of integrity.

This is a story about a supernatural gangster doctor whose name is Dr. Director. He was called for his service to assist a bright but mystifying troubled youth at one of the boy's orphanage schools in Ghana Africa. In Dr. Director's mid-forties he became the surrogate father to Sambo Mahammad tutoring him into a new way of life and placed in the best educational schools outside Ghana. Later he entered into Ghana Medical School where he graduated at the top of his class. Upon his graduation he assisted his mentor Dr. Director traveling to villages across the continent where they discovered a middle aged African Chief Onanni suffering from feverish dehydration succumbed to death. Chief Onanni was from dehydration, feverish and succumbed to death. After examining the six wives Dr. Director knew from personal years past that the youngest woman was not chief Onanni's wife but his daughter, so

parents and grandmother. World War II raged elsewhere, but not in Lino's home—until the day his father was called into active duty in Mussolini's army. In his biography, family friend Alicia Winget chronicles the fascinating life story of Borraccio as he embarked on a coming-of-age journey taking him from his Italian village through the difficulties and triumphs associated with World War II and post-war Italy. Eventually, he became an immigrant and moved to the United States; although he could barely understand English, he would later don an American military uniform in 1961. With incredible detail, photographs, and facts, Winget describes how Borraccio carved out a new life for himself as he became a licensed barber, an American citizen, and a husband who would eventually become a successful entrepreneur. Out of the Rubble shares the inspiring life story of an Italian immigrant who stands as a model and memorial for perseverance, bravado, patience, and hard work.

moeilijkste vraag der vragen combineert de gerenommeerde psycholoog Jordan B. Peterson de zwaarbevochten waarheden van oude tradities met verbluffende ontdekkingen van grensverleggend wetenschappelijk onderzoek. Op humoristische, verrassende en informatieve wijze vertelt Jordan Peterson ons waarom kinderen die aan het skateboarden zijn met rust gelaten moeten worden, welk verschrikkelijk noodlot mensen die te snel oordelen te wachten staat, en waarom je altijd een kat moet aaien als je er een tegenkomt. Peterson legt grote verbanden en distilleert daarbij uit alle kennis van de wereld 12 praktische en fundamentele leefregels. In 12 regels voor het leven maakt Jordan Peterson korte metten met de moderne clichés van wetenschap, geloof en de menselijke natuur, en tegelijkertijd transformeert en verrijkt hij de denkwijze van zijn lezers. Artemis, het tweede boek van bestsellerauteur Andy Weir. Van Artemis zijn de filmrechten inmiddels verkocht aan 20th Century Fox Jasmine Bashara, roepnaam Jazz, ervaart de kleine stad waar ze woont als beklemmend: steeds maar weer dezelfde gezichten, dezelfde verhalen en de dagelijkse sleur van haar werk. Ze droomt van grote rijkdom en een beter leven op Aarde. Jazz is namelijk een van de handvol kolonisten die in Artemis woont, de eerste en enige stad op de maan. Het leven op Artemis is zwaar als je geen rijke toerist of excentrieke miljardair bent, en Jazz is verre van een van beide. Ze heeft torenhoge schulden, haar baantje als koerier levert nauwelijks genoeg op voor de huur van een klein appartement zo groot als een metalen doodskist, en haar ontluikende carrière als smokkelaar wil ook maar niet van de grond komen. Als een kans zich voordoet om dit allemaal achter zich te laten en eindelijk het leven te leiden waar ze al haar hele leven van droomt, peinst ze er niet over om nee te zeggen, zelfs al weet ze dat er een addertje onder het gras zit. De perfecte misdaad plegen is nooit eenvoudig - al helemaal niet op de maan - maar de reacties die haar spectaculaire daad teweegbrengt, had niemand kunnen voorzien en Jazz komt terecht in een samenzwering over de heerschappij van Artemis.

athlete and their mother, already a successful teacher, chose to pursue her Masters degree in Literature at the age of 50. They were the ideal parents who brought their daughters up to be strong, independent women but at the same time, took care of their needs and were present whenever they needed the support. Who could have guessed that these two solid individuals, who never had the word “can’t” in their vocabulary, would be reduced to mere vegetative states, as the dreaded Parkinson’s disease hit them one after the other? Heartbroken, Sabrina and Samara watch their parents degenerate slowly, with no hope for recovery or an end to their misery. As they go through the trials of life, their growing family struggles to come to terms with Parkinsonism, a disease that presently has no cure. Through all the highs and lows, Sabrina recognizes the value of living in the moment and treasuring the beautiful memories one makes with family—even with a bend in the river of life.

When twentysomething reporter Miranda Kennedy leaves her job in New York City and travels to India with no employment prospects, she longs to immerse herself in the turmoil and excitement of a rapidly developing country. What she quickly learns in Delhi about renting an apartment as a single woman—it’s next to impossible—and the proper way for women in India to ride scooters—perched sideways—are early signs that life here is less Westernized than she’d counted on. Living in Delhi for more than five years, and finding a city pulsing with possibility and hope, Kennedy experiences friendships, love affairs, and losses that open a window onto the opaque world of Indian politics and

culture—and alter her own attitudes about everything from food and clothes to marriage and family. Along the way, Kennedy is drawn into the lives of several Indian women, including her charismatic friend Geeta—a self-described “modern girl” who attempts to squeeze herself into the traditional role of wife and mother; Radha, a proud Brahmin widow who denies herself simple pleasures in order to live by high-caste Hindu principles; and Parvati, who defiantly chain-smokes and drinks whiskey, yet feels compelled to keep her boyfriend a secret from her family. In her effort to understand the hopes and dreams that motivate her new friends, Kennedy peels back India’s globalized image as a land of call centers and fast-food chains and finds an ancient place where, in many ways, women’s lives have scarcely changed for centuries. Incisive, witty, and written with a keen eye for the lush vibrancy of the country that Kennedy comes to love, *Sideways on a Scooter* is both a remarkable memoir and a cultural revelation.

It's up to Alice, with the help of a few new friends, to find the saboteur before the entire competition is ruined, all the while tackling some of the hardest cooking challenges of her life . . . for the whole world to see.

The Space Team Universe has been changed forever! Having journeyed through time in order to restore peace to the galaxy, Cal Carver and Space Team are a little dismayed to find out they may have inadvertently made things even worse. Whoops. Captured by an unfamiliar alien species, the crew is banished to a life of slavery in the Mustard Mines of Moktar, where they come face to face with the sinister Manacle - a terrifying new enemy whose diabolical agenda is worse than any they have encountered

before. With the clock ticking and thousands of lives at stake, Space Team must race across the galaxy, stop Manacle's evil scheme, and save the day once more. But first, they have to escape... Featuring space gnomes, sand stomachs, and the sexiest facial paralysis in history, Space Team: Sting of the Mustard Mines is the tenth explosive adventure in the Space Team series, and the perfect jumping-on point for new readers. Not much has changed in the Valley. Beth's parents are still cold and distant. The farm in winter is as grey and unwelcoming as ever. She's only there for the funeral or so she'd planned until crushing news comes from her much preferred Napa Valley. Now she must grapple with memories and thoughts greyer than cold winter days. Piper's career is exploding. Her passion for education, the niche she's targeted, is moving well beyond the classroom into a large public spotlight. Yet another relocation looms but not another set of tight friends. Mac, ever the pastor even when maybe he shouldn't be, counsels his ministry volunteers turned close friends. He coffees with them at Highway; he jogs with one of them at Eisen Tree farm; he performs pastoral visits, prayers, and calls; he confronts church gossip and erroneous understandings. All expected, if not rote, for the ministry veteran. Unexpected and new, however, is falling in love. Dawson's secret threatens friendships, which is everything, except for, and most importantly, Jesus, who may become the only friend he has left and the one Friend he deserves the least. They do ministry right alongside, or despite, their own trials always hoping for that rare glimpse of angels rejoicing.

Willard and Spackman's Occupational Therapy, Twelfth Edition, continues in the tradition of excellent coverage of critical concepts and practices that have long made this text the leading resource for Occupational Therapy students. Students using this text will learn how to apply client-centered, occupational, evidence based approach across the full spectrum of practice settings. Peppered with first-person narratives, which offer a unique perspective on the lives of those living with disease, this new edition has been fully updated with a visually enticing full color design, and even more photos and illustrations. Vital pedagogical features, including case studies, Practice Dilemmas, and Provocative questions, help position students in the real-world of occupational therapy practice to help prepare them to react appropriately.

In *Zen & de kunst van het motoronderhoud* verhaalt Robert M. Pirsig over de motorfietstocht die de hoofdfiguur en zijn elf jaar oude zoon Chris een zomermaand lang van Minnesota naar Californië maken. Het is het spannende en wanhopige relaas van een vader en een zoon die bevangen worden door een steeds ingrijpender krankzinnigheid. *Zen & de kunst van het motoronderhoud* is een van de belangrijkste en invloedrijkste boeken van de afgelopen halve eeuw. Het is een persoonlijke en filosofische zoektocht naar de fundamentele vragen van het bestaan, en een lucide bespiegeling over hoe wij beter zouden kunnen leven.
