Company specializes in providing captivating, supplemental books and decorative resources to complement middle- and upper-grade classrooms. Designed by leading educators, the product line covers a range of subjects including mathematics, sciences, language arts, social studies, history, government, fine arts, and character. Mark Twain Media also provides innovative classroom solutions for bulletin boards and interactive whiteboards. Since 1977, Mark Twain Media has remained a reliable source for a wide variety of engaging classroom resources.

Supplement your social studies curriculum with 180 days of daily practice! This essential classroom resource provides teachers with weekly social studies units that build students' content-area literacy, and are easy to incorporate into the classroom. Students will analyze primary sources, answer text-dependent questions, and improve their grade-level social studies knowledge. Each week covers a particular topic within one of the four social studies disciplines: history, economics, civics, and geography. Aligned to the National Council for the Social Studies (NCSS) and state standards, this social studies workbook includes digital materials.

Essentials of Elementary Social Studies is a teacher friendly text that provides comprehensive treatment of classroom planning, instruction, and strategies. Praised for its dynamic approaches and a writing style that is conversational, personal, and professional, this text enables and encourages teachers to effectively teach elementary social studies using creative and active learning strategies. New to this Edition This fourth edition has been significantly refined with new and relevant topics and strategies needed for effectively teaching elementary social studies. • Keeping with the book's emphasis on planning and teaching, a full, new chapter on lesson plans has been added. This chapter is designed to provide elementary teachers with 14 classroom tested lessons for each grade level (K-6). • A new chapter on technology is designed to better prepare elementary teachers to effectively teach social studies with technology. Attention is given to digital history, media literacy, teaching with film and music, and numerous other types of impactful technology. • Each chapter now includes a "Resources" section. The resources section provides various resources for further development. The section includes articles, books, and web resources. • Each chapter now includes "Extension" and "Focus" activities. These activities provide readers with the opportunity to extend the learning experience with relevant and meaningful scenarios. Instructors can also use the extension and focus activities as class activities. • Brand new companion website expands on chapter content and provides resources for further study (www.routledge.com/cw/Turner).

Explores the value and impact of implementing social action and social justice activities in the elementary classroom. Includes a discussion about how teaching social studies for social justice relates to standardized testing and state curricula and offers classroom activities, teaching ideas, and a list of children's books, curriculum materials, and

websites.

This book provides the answers to social studies and science questions for grade 6.

Study the Global Address System using this book on social studies for sixth graders. Learn how to read maps, globes, and use geographic tools. Can your child try to locate the North and South Poles based on the Antarctic and Arctic Circles? Although locating address is easy with the use of technology, there is a distinct form of happiness in locating addresses using skill and careful study. Enjoy!

Core Skills Social Studies, Grade 6 Steck-Vaughn Company

China is a communist country. You know where China is but do you know what communism means? This book will contain details about communism along with examples of governments using it. You will see huge differences in how lives in those countries are lived compared to yours. Would you like communism after reading this book?

These all-inclusive skills resources provide the focused practice students need to apply, reinforce, and review skills in reading, math, and test-taking. Answer key included.

The Chinese have always been innovative. In fact, their ancestors can be credited for major historical discoveries that forever changed the course of history. Among these discoveries were the compass, the manufacture of paper, gunpowder, tea, and woodblock printing. Read more about the treasures of Ancient China. Grab a copy today!

Collins Antigua Primary Social Studies has been specially written by a local teacher to meet the needs of local schools, teachers and students. The books in this series provide full coverage of the primary social studies syllabus for Antigua and Barbuda, with engaging illustrations and activities to keep students interested and to help them learn. Collins Antigua Primary Social Studies provides everything teachers need for the Antigua and Barbuda social studies syllabus at primary level. This course has been specially developed by an extremely experienced local teacher who truly understands the needs of primary students and how to keep them engaged and interested in learning. It provides a skills-based approach to learning fully set in local contexts to allow students to develop tools and skills for learning and a wider knowledge of their own island and the Caribbeana.

Combines motivating stories with research-based instruction that helps students improve their reading and social studies skills as they discover the past. Every lesson of the textbook is keyed to California content standards and analysis skills.

Your child is ready to complete his or her primary homeschool programs, which means you need a challenging Social Studies curriculum. myWorld Social Studies: Grade 5B/6 is the final stage in the myWorld Social Studies series. The curriculum for homeschooling uses the best in educational research and effective storytelling techniques to ensure your child completes his or her primary education with a solid grasp of the subject. This step in myWorld Social Studies continues right where Grade 5A left off, giving both you and your child a seamless transition from one curriculum to the next. Additionally, the program will set your child up for their secondary educational journey. By the time you reach the conclusion of myWorld Social Studies, your child

should be able to: Use a variety of source types (such as first-hand accounts, textbooks, both fiction and nonfiction texts, etc.) to deepen his or her understanding of important historic events. Understand that not all accounts are accurate and discern between a reliable and unreliable narrator. Display understanding of current events by completing assignments and reports on timely topics. Recall the roots of modern civilization, including facts on ancient Egypt, Greece and Rome. Understand two sides of world events (such as wars). Recount the development of the American colonies and how they became a nation. Participate in community service events. Understand local, state and national governments, and how they work both independently and together. The myWorld Social Studies homeschool program aims to help your child become an active, engaged and responsible citizen while simultaneously learning about important historic events. Additionally, your child will understand geography and how it connects to other areas of Social Studies. For more information about the specific items included in myWorld Social Studies: Grade 5B/6, visit the Features and Benefits page.

Growth Of Our Country (5B) The heart and soul of myWorld Social Studies is the myStory System. We began with the world's oldest educational technique storytelling and applied the latest educational research to create a groundbreaking approach to Social Studies instruction. We connect to students' emotions through stories, preparing them to learn, focusing on Social Studies content while reinforcing literacy instruction. Meaningful discussion questions and videos related to the questions will keep your child interested and engaged. myWorld Social Studies is a comprehensive K-6 social studies curriculum designed to lay the ground work for civic competence, so that students develop the knowledge, skills, and values necessary to be active, engaged, and responsible citizens. myWorld Social Studies helps students become actively engaged in Social Studies content through experiences that personalize instruction and make learning meaningful as well as fun. **Please note, some of the product components will be labeled as 5B** Pearson creates education materials for all types of learners. When creating a program, we ensure that the material will be accessible to as many students as possible and as such, we create many ancillary products to fit specific situations to meet a variety of needs. While there are many components to each of our overall educational programs, some of these ancillaries do not meet the needs of homeschoolers, others do not make sense in a homeschool environment and some require an expensive technological infrastructure to deploy. The homeschool product configurations, while selected from a larger program, are complete curriculum bundles designed for your children to be engaged and to thrive, while being mindful of your budget. It is important to note that at times there will be resources mentioned throughout your materials that are not included in your package, however this will not hinder your child's successful completion of the course.

What was life like in Ancient Rome? If your 6th grader has ever wondered what it's like to live in the ancient times without technology, then this picture book should be read. Ancient history can be a wonderful, interactive read, if you give your child the right learning tools. Learn about the early history, science, architecture, art and government of ancient Rome.
