

Spouse The Truth About Marriage Shobhaa De

It's no secret that men and women are different. And it's no secret that they don't always get along because of these differences, even when they love each other. But having a successful marriage is not about finding the perfect person to marry. It's about loving someone in an unselfish, Christlike manner. Whatever we want out of marriage--unconditional love, forgiveness, passion--that is what we have to give to our spouse. Rick Johnson shows couples how to go beyond merely tolerating each other's differences to using those God-given differences to add spice and passion to their relationship.

Treasure your Marriage by Cherishing your Spouse is an inspirational book for Christian Marriages written by Author Suzanne E. Uzzell. This book was written to ignite the reader to learn how to Treasure their marriage by cherishing their spouse. This book is a reuniting and rebuilding of the couple in the friendship, lover and partner capacity within the marriage relationship. The reader will reflect on the care of the Godly union and their spouse. They will also learn the role they play within the marriage union is crucial and significant to the building of the relationship. This book will transform lives and cause the reader to revisit their wedding vows and learn the significance of their function in the Godly union. The reader will also have a new outlook on how cherishing their spouse will allow them to treasure their marriage union for a life time here on earth.

In this work on society's most debated institution, the author writes from a peculiarly Indian perspective on how and why marriages succeed - and fail.

God's vision for your marriage is far more than mediocre, and money and sex are two of the most common tension points. But it doesn't have to be this way. In *Your Money, Your Marriage*, Brian and Cherie Lowe offer straight talk and power principles for getting your finances back on track so you can get back to your romance. Take it from them—the Lowes worked off \$127,000 in debt in just four years, and emerged not only financially free but better together. Join Cherie, personal finance blogger at Queen of Free, and Brian, family law attorney who's seen it all when it comes to marital money struggles, in this journey to help you and your spouse go from different books to the same page. Through candid and hilarious stories, fresh ideas and practices, and a few winks along the way, Brian and Cherie reveal the secrets to “financial foreplay” able to help every couple thrive together in finance and romance alike. You'll learn how to: Develop “passionate patience” with each other toward a shared financial goal Identify unhealthy financial habits Save smart on date nights Sort through misaligned expectations as a couple Beat the comparison game Cultivate a stronger relationship on a budget of zero dollars Couples share much more than a bank account or even a bedroom—they share a sacred union. Imagine what your marriage could be if you could put cash conflict behind you. *Your Money, Your Marriage* is an invitation to find out, and to thrive together.

Imagine a marriage that is filled with excitement and fresh ideas for bonding in ways you've only dreamed about! The *ESP Marriage* will take you and your spouse on an exploratory journey in discovering and developing a deep and genuine expression of true intimacy. This book will help you and your spouse learn what true intimacy looks and feels like so that the two of you can share in its fullness. It also offers practical

tools, and advice that are sure to empower your marriage with new and inspiring ways to create a dynamic ESP relationship. So take your marriage to the next level of intimacy with the help of THE ESP MARRIAGE! "The ESP Marriage is unique in its approach to bringing the "Trinity" into our unions; Emotional, Spiritual and Physical connections. Nashawn Turner's enthusiasm, knowledge and years of experience repairing and re-energizing marriages, shines through this book with her inspiring advice and fun exercises. Read the ESP Marriage, and fall in love all over again!" Dr. Jeff Gardere Television Personality, Author of Love Prescription: Ending the War Between Black Men and Women and a Clinical Psychologist "The ESP Marriage is a rare and in-depth look into intimacy. The author immediately engages the reader as she allows us to see her intimately and creates a comfortable place for learning and loving. The material is presented in a personable way that allows for immersion into every concept and exercise. I truly believe that this book is a great tool for building and/or maintaining a wonderful marriage!" Lorraine Morris-Cole Author of Work It, Girl! The Black Woman's Guide to Professional Success, a Communications Consultant and Workshop Presenter

Are faulty beliefs damaging your marriage? If you are experiencing conflict, anger, or hurt in your marriage, you don't need positive thinking or an escape clause—you need to replace the lies you believe with God's transforming truths for your relationship to become all that it was meant to be. According to Dr. Chris Thurman, everyone enters marriage with misguided attitudes and expectations such as: "My spouse is a bigger mess than me." "The purpose of marriage is to be happy." "My spouse should meet all my needs." This practical book dismantles the ten most common lies couples believe and helps you renew your mind with God's truths for a more caring, close, and connected marriage.

ESM: Evil Spiritual Marriage: Everybody has a Spirit Spouse The concept of spiritual marriage has been lost by man, who has become very "un-spiritual". Even with scriptures and local traditions to prove the existence of spiritual marriage and the consequential spirit spouse, man in 2013 A.D. still ignores this fundamental spiritual truth to his own detriment. This book will unlock to you the mystery of ESM, Evil Spiritual Marriage, the origin and effects on mankind. New revelations will begin to unfold as you take steps to understand this concept and great benefits will accrue to your account. No facet or phase of life can remain untouched by this truth. If you want to take spiritual warfare to an advanced level that will liberate your body, soul and spirit for greater exploits. Read this!

Discover how to communicate with your spouse without fighting. Even if you have a difficult spouse. In this book, you will learn the proven communication skills every couple needs communicate better, feel heard and understood. So you can improve your marriage or relationship.

As you carry on with life, you will confront many difficulties. Some will be not difficult to survive and some will be extremely challenging. Truth be told, some would flat be able to out channel you. All things considered, with regards to marriage, you and your life partner will go through some trying periods. You may advise yourself, what I can do to save my marriage. With regards to making marriage work, there is no straightforward answer, and to finish it off, each marriage is altogether different. Beneath, I will show you some till from this book that will have a major effect with regards to making marriage work. Ensure You Show Appreciation for Your Spouse Commonly it is extremely simple to get found all that is going on all through everyday

tasks. Be it work, diversions and companions, your children occupied extracurricular exercises, and so on Now and again you need to back off and figure out how to appreciate your life partner, regardless of whether it is for limited quantities of time for the duration of the day. At the point when couples are together for quite a while, they neglect to recognize exactly how fortunate they truly are to have each other until one chooses to leave or a misfortune occurs. Ordinarily we figure out the amount we love a person or thing till they are no more. It can't get to this point, with regards to making marriage work, since it will be considerably more hard to fix things then, at that point, as opposed to when the issue is distinguished at a beginning phase. Stop briefly and ask yourself, regardless of whether this is occurring in your marriage. In the event that it's not, useful for you, however assuming it is, better beginning delineating an approach to get things in the groove again. What are things that cause you to feel appreciated? Everyone needs to be esteemed and cherished, as opposed to underestimated. Start the day by telling your accomplice you like them, it doesn't need to be something important, a basic I love you, a kiss, or perhaps a surprising embrace will get the job done. Telling appreciation and learning the best way to focus can go far towards making marriage work. Openness is Of the utmost importance for Making Marriage Work Mary Taylor is a family expert in the United States, an international conference speaker, author of more than 50 books on marriage and family life. Inside this book, you will discover: - Best ways to say I love you to your spouse constantly - How to make yourselves a chain breaker - Why you should let your mate know the amount you are worth - How to make your spending together - Trick to renew your pledges to your spouse - How to make time for your spouse - why should not go back home late - way to keep your expense low - how to Say great morning when you awaken and great night. And more to learn inside this book If you are ready to discover what you need to do to save your marriage and make it work. Scroll Up and Click the Buy Button

Probably no other dimension of human experience has been pondered, discussed, debated, analyzed, and dreamed about more than the nature of true love. Love is everywhere -- in songs and in books, on televisions and on movie screens. Yet, for all of our thinking and talking, how many of us truly understand love and where can we turn for genuine insight in matters of true love?

SpouseThe Truth about MarriagePenguin UK

"Now the man and his wife were both naked, but they felt no shame." (Genesis 2:25) Imagine a marriage with complete intimacy, vulnerability, transparency and trust. Imagine a marriage rooted in faith, friendship and mutual fulfillment. Imagine a marriage with amazing sex, but where great sex is only the icing on the cake. This might all sound too good to be true, but it's actually what God

designed marriage to be, and He doesn't want you settling for anything less. Having a "Naked Marriage" is about much more than just nakedness in the bedroom (although that's part of the fun). It means being naked emotionally and spiritually as well as physically. It also means undressing all the misconceptions our culture has used to cover God's original, beautiful design for marriage and rediscovering all marriage can be. You and your spouse can have a thriving, Naked Marriage with a lifetime of love and laughter together. This book will show you how. About the Authors: Dave and Ashley Willis have become some of America's most trusted teachers on marriage. Their books, blogs, videos and speaking events reach millions of couples worldwide. They are part of the team at XO Marriage and MarriageToday, which is the largest marriage-focused ministry in the USA. Dave and Ashley have four young sons and live near Dallas, TX.

In this delightful book on society's most debated institution, Shobhaa Dé writes about how and why marriages work-or don't. With her usual disregard for rules, she reinvents tradition and challenges old stereotypes, addressing all the issues that are central to most Indian marriages: the saas-bahu conundrum (how to escape the role-trap and enjoy each other), the need for honesty (aren't some secrets better left secret?), the importance of romance (no, expressions of love are not unmanly!), and not any less important, how to recognize the warning signs in a hopeless relationship and run before it's too late. Fun, savvy and, above all, pragmatic, this is the ultimate relationship book for all those who want to make the adventure of marriage last a lifetime.

Most marriage books assume the author did it right. Most marriage books barely mention friendship. Most marriage books use "intimacy" as code for "sex." This is not one of those books. In *Real Marriage*, Pastor Mark Driscoll and his wife, Grace, share how they have struggled and how they have found healing through the power of the only reliable source: the Bible. They believe friendship is fundamental to marriage but not easy to maintain. So they offer practical advice on how to make your spouse your best friend – and keep it that way. And they know from experience that sex-related issues need to be addressed directly. Five chapters are dedicated to answering questions like: Should I confess my pre-marital sexual sin to my spouse? Is it okay to have a "work spouse"? What does the Bible say about masturbation and oral sex? Stunningly honest and vulnerable, *Real Marriage* is like a personal counseling session with a couple you cannot surprise, you cannot shock into silence, who will respond to every question with wisdom, humility, and realism. If you want to have a long-lasting, fulfilling marriage you should read this book. Wrestle with this book. Pray over this book. Share this book. And discover how God can use it to change your life. Endorsements: "If you're married or plan to be someday, do yourself a favor and read every page of this book." —DRS. LES & LESLIE PARROTT Founders of RealRelationships.com and authors of *Love Talk* "Whether engaged, newlywed, or veteran, *Real Marriage* will serve as an invaluable resource. I highly

recommend this book.” —ANDY STANLEY author of *The Grace of God* and Senior Pastor, North Point Community Church "One of my greatest concerns is that culture is going to continually define and redefine what marriage is and is not, and the church is going to simply sit on the sidelines and react rather than seeking to actually become proactive by confidently teaching what the Bible has to say about it. That is why I am so thankful that Mark and Grace Driscoll wrote this book. Their approach to marriage, its benefits and challenges are transparent and challenging and I honestly believe that every married couple who will work through what they lead us through in this book will not just merely have a marriage that survives in this world but rather thrives in it." — PERRY NOBLE Senior Pastor, NewSpring Church "Our thanks to Mark and Grace Driscoll who have served this generation well by tastefully but boldly addressing the real issues facing real marriages. Taking the unchanging truth of God's word and sprinkling in is the story of God's mercy in their own marriage they have filled every chapter with real helpfulness. This book is powerful, biblical, practical and healing for marriages that hurt. My wife and our adult children read it to great profit." — DR. JAMES MACDONALD Senior Pastor, Harvest Bible Chapel and Bible teacher for *Walk in the Word*

You've probably heard the grim facts: Half of all marriages end in divorce. The divorce rate inside the church is the same as outside. Most marriages are just holding on. But what if these "facts" are actually myths? --Publisher Foreword by Dave and Ashley Willis, authors of *The Naked Marriage* and hosts of *The Naked Marriage Podcast* A husband-wife team offers practical advice for married couples to end the cycle of reactionary arguments by examining the most common issues that trigger disagreements and applying God's Word to radically transform relationships. Many couples know their marriage has room for improvement, but it is hard to pinpoint exactly why a relationship is suffering. Often times everyday triggers are the culprit. If you are wondering how to break out of the cycle of reactionary outbursts, cold shoulders, resentment, and pain that harms your relationship, you are not alone. Experiencing peace and joy rather than anger and frustration is not as hard as you think! *Marriage Triggers* walks you through thirty-one of the most common marital issues that sabotage great relationships, like poor communication, lack of spiritual leadership, busy schedules, and different parenting styles. Married for fourteen years, authors Amber and Guy Lia are your typical couple and they share tips for countering negative reactions to triggers with gentle, biblical responses. Rather than run from the things that cause conflict, Amber and Guy believe these triggers are opportunities for growth, both individually and as a couple. They challenge you to let *Marriage Triggers* renew your commitment to responding gently and biblically towards your partner.

In this popular bestselling book (with more than 500,000 copies sold), Gary Thomas uncovers how your marriage can become a doorway to a closer walk with God and each other. Happy is good. But holy is better. Your marriage is

more than a sacred covenant with another person. It is a spiritual discipline designed to help you know God better, trust him more fully, and love him more deeply. What if God's primary intent for your marriage isn't to make you happy . . . but holy? Sacred Marriage doesn't just offer techniques to make a marriage happier. It does contain practical tools, but what married Christians most need is help in becoming holier husbands and wives. Sacred Marriage offers that help with insights from Scripture, church history, time tested wisdom from Christian classics, and examples from today's marriages. Sacred Marriage reveals how marriage trains us to love God and others well, how it exposes sin and makes us more aware of God's presence, how good marriages foster good prayer, how married sex feeds the spiritual life, and more. The revised edition of Sacred Marriage takes into account the ways men's and women's roles have expanded since the book was first written. It has been streamlined to be a faster read without losing the depth that so many readers have valued. Sacred Marriage uncovers the mystery of God's overarching purpose. This book may very well alter profoundly the contours of your marriage. It will most certainly change you. Because whether it is delightful or difficult, your marriage can become a doorway to a closer walk with God, and to a spiritual integrity that, like salt, seasons the world around you with the savor of Christ. Also available: Sacred Marriage gift edition, small group video study and study guide, Spanish edition, and more. What emerges in this second book of the trilogy is that the very "ground" and content of experience is richer than what can be reduced to a particular account of it. As such, dialogue develops from the "natural" diversity of what is "of" faith and what is "of" reason. Neither faith nor reason, however, originates "from" experience; rather, both are "witnessed" in experience. In other words, taking up questions about the nature of man, whether philosophically, psychologically or in terms of social structures, manifests both a variety of points of departure and, at the same time, the manifold conversations that are possible in the "field of culture". Focusing particularly on the work of St. John Paul II, the first essay examines the answer of reason and the answer of faith to the same question: What is man? Conversion, too, entails an "unexpected" relationship to natural truth, which, in its own way, is both adequate and inadequate to salvation. Communication, as it were, runs throughout these essays; however, in particular, there is a need to enrich our human understanding of the process of "coming to ourselves" with the insights of spiritual discernment. Axiomatically, however, it is possible to say that just as we come to exist through a relationship to others, so our healing and holiness are manifest through our relationship to others in the "Other". Furthermore, while it is ultimately true that we exist as individually rooted in the social structure of our origin and the times in which we live, we need to critically participate in the dialogue which identifies our common "reality" and not live our lives covered in "psycho-social" labels of one kind or another. As a whole, then, there is an incomparable range and depth to "dialogue". Indeed, given the many critical situations in the world, it is increasingly indispensable and

essential that humanity choose the incredible wealth of dialogue in contrast to the possibility of a “polarised” and “conflictual” structure between people and peoples.

Founded by Charles Colson and Richard John Neuhaus in 1994, Evangelicals and Catholics Together (ECT) has fostered a fruitful conversation on the meaning of the gospel in today's world. Over the course of twenty years, ECT has issued nine statements addressing contemporary topics. This one-volume guide, the first collection of the ECT statements, explores the key accomplishments of this groundbreaking, ongoing dialogue. Introductions and notes provide context and discuss history and future prospects. The book also includes prefaces by J. I. Packer and Cardinal Timothy Dolan, a foreword by George Weigel, and an epilogue by R. R. Reno and Kevin J. Vanhoozer.

My name is Pamela Williams, my reason for writing this book called "The Other Spouse" a character role that I was portraying unwarily during a lengthy season of being connected, joined and knitted together not with just any man, but one I wanted to spend a life time loving that became a stronghold called a soul-tie as I later learned. I of course didn't understand the reasons my life went in the direction it did, due to my rebellion for one, because it surely wasn't a path I would have chosen, but after thinking long and hard about the things, people and situations God covered and protected me from that should have literally taken my life; it put me in a very grateful position to appreciate the lessons learned and growth from the painful experiences to understand the real purpose of why I had to go through and the assignment I must accept because of it. And for that reason alone I started listening versus hearing the messages God had to say about me, my life and the relationship that I had put more value and trust in over the one I never really gave a chance, effort or time spent with Him. So here I was twenty some year sand already married in my heart, comfortable and secure, never giving thought or discussion as to where this relationship is going, or will he ask for my hand in marriage; just being okay with the way things are because I'm finally with someone who is nothing like the others and I trust him. And the moment that statement was made in my heart, God began to remove the scales from my eyes and reveal things to me through the women and men in my family as I observed their behavior and character to understand why and how I was willing to stay connected to this meanwhile finding it difficult but very possible to disconnect from something you didn't know was capable of such hurt until God allowed it to turn against me, while turning back to HIM, my first love ever. Because without any of our acknowledgment and intelligence we think to have; we are only operating and portraying a role, played by women who raised us and those we have befriended or associated ourselves with that are known and I call "The other Spouse".

Lies about marriage are rampant in our culture and the church. They're killing marriages. But the corresponding truths can strengthen marriages and even save the most troubled relationships. In this book, marriage experts Greg Smalley and

Robert Paul identify the lies, explain how they work to destroy marriages, and reveal the truths that not only can improve marriages but rescue those that are floundering. Hope Restored, the renowned crisis marriage program created for Focus on the Family, is the basis for the discovery and understanding of these specific lies and their impact. Dr. Greg Smalley, a general marriage expert, and Robert Paul, the therapeutic director of a program that resuscitates nearly dead marriages, bring an unusual but powerful combination of perspectives that restore hope and healing in any marriage. 9 Lies That Will Destroy Your Marriage includes several self-tests to help you assess the extent to which your own marriage has been affected by each of the nine lies.

In the United States, someone gets divorced every 27 seconds. In almost every instance, at least one person desperately wants the marriage to stay together. you may be that person. Perhaps you are the other spouse, or a child, or a relative or friend, but your heart is breaking because someone for whom you care deeply is headed straight for a divorce. You know that this person is about to destroy his or her life, but you haven't known what to do. now you can give your loved one this book. In Tough Talk To A Stubborn Spouse, author Stephen Schwambach pours 20 years of counseling and pasturing stubborn people into short, powerful chapters that will stimulate the thinking of husbands or wives. One word of caution-the talk between these covers is truly tough. It is so honest that at times it actually hurts to read it but don't let that stop you. It could be the key that unlocks a desperate situation.

When marriages hit rough spots, the men and women in them need wise and informed help. Through personal experience, Joe and Michelle Williams have learned what works and what doesn't in the tough times of marriage. Having experienced several divorces each before becoming Christians, Joe and Michelle write with insight and authority that can't be denied. Includes a Temperament test and survey to help readers evaluate their marriage, questions for self-evaluation, and group- or support-partner discussion questions.

This book is written for married couples by a Marriage & Family Therapist. Its emphasis is that marriage must be an equal partnership and that this has a Biblical basis found in Genesis before the Fall. Men and women are equal in God's eyes and this equality should be lived out as a partnership in the marriage relationship. It will also help you understand the reasons why husbands and wives pull apart from each other in their marriages. You will be given practical solutions that will develop successful ways to better understand yourself and your partner. You will be introduced to self talk, family of origin issues, your identity in Christ, behaviors and attitudes that can hurt your marriage relationship, and excellent communication skills and techniques.

Experience the Blessings of an Imperfect Marriage. We all—at one time or another—have the opportunity to act right when our spouse acts wrong. There are no perfect marriages or perfect spouses. We know that having a good marriage requires effort and hard work. Yet we often don't know how to continue to love

when we are angry, hurt, scared, or just plain irritated. Nor are we sure what that kind of love is supposed to look like. Should we be patient? Forgive and forget? Do something else entirely? Acting right when your spouse acts wrong will not necessarily guarantee a more satisfying marital relationship, nor will it automatically make your spouse change his or her ways—although both could occur. It will, however, help you see how God is stretching you in the midst of your marital difficulties, teach you to respond wisely when wronged, and lead you into a deeper relationship with Christ as you yield your will to his plan for your life and learn to be more like him.

“With marriage down and divorce up, it’s tough to get and stay married these days. But therapist Greg Baer says you can have a happy marriage by learning to love your partner unconditionally. . .practicing Real Love.”—Chicago Tribune

Why do more than half of all marriages end in divorce? And why is there so much unhappiness in the marriages that survive? Greg Baer offers the solutions for a long-lasting marriage in his anticipated follow-up to *Real Love: The Truth About Finding Unconditional Love and Fulfilling Relationships*. No matter how many wounds have been inflicted in a marriage, Greg Baer believes that they can be healed, giving both partners the sense of fulfillment and joy they’ve always wanted. With practical anecdotes and exercises throughout, Baer shows you:

- Why our spouses are not the root cause of how we feel and behave
- The truth about why we get angry with our spouses and argue with them
- How to eliminate—not just manage—anger and conflict
- How to identify what we need to change about ourselves
- How you and your partner can both get what you want out of the marriage
- How you can break the cycles of expectation and disappointment
- How to prevent divorce, and how to know when it’s the right option

There are no quick solutions to fixing a marriage. With Greg Baer as your guide, you can begin to heal the wounds of the past and cultivate the lifelong commitment to stay with your partner while learning how to unconditionally love him or her.

Men and women have specific ‘needs’ in a marital or any other loving relationship. These needs are very different. What a man needs is very different from what his wife might think he needs, and what a woman needs is different from what her husband might think she needs. I have written this book with the aim of helping couples who are married. This book is for couples who feel that marriage is boring and that the excitement is gone; for couples who feel that one partner is taking the other for granted and who want more out of their marriage; and for couples who want to improve on their relationship and have a wonderful marriage. It is also for single people who desire to get married one day. It will prepare you for what marriage should be like. It will give you an idea of what to expect and what to sacrifice so that your marriage will last as God intended. I feel it is time for men and women to look beyond their own specific needs and see how we can fulfil the needs of our spouses, thereby fulfilling our own. We should give our spouses what they really need and not what we think they need.

'This is a timely book on the issues facing married couples. Winnie has a wealth of practical insight that will bring healing and reconciliation in marriages. She has an uncanny ability to be frank on tough issues. It has given me tools to build up my wife and create nourishing dialogues. It will also bless those who are engaged and planning to tie the knot' Pastor Parveen Singh

How to connect or reconnect with your spouse, grow together and strengthen your marriage - EVEN if you don't know where to start. Do you feel something is missing in your marriage? Do you feel like roommates? Are you worried about drifting apart? Do you ever miss the connection you once had? Do you want to fall "in love" again so you can rekindle intimacy in your marriage? Needless to say, you are not alone. The truth is, we all want to feel loved and desired by the person we have committed to spend the rest of our life with. Somewhere along the journey, life gets in the way; busy schedules, pregnancies, kids, health issues, looming work deadlines, career changes, unexpected life and family events, etc. Your spouse is physically present with you, but it feels like they are miles away. The spark and excitement is starting to wane. You are slowly growing apart. The sad truth is this: Lack of intimacy in a marriage can easily lead to resentment, anger, frustrations, feeling neglected and even divorce. But, don't give up yet. No matter how hopeless you feel about the state of your marriage, we believe you can rekindle intimacy with your spouse. Because it happened to us too. We used to be just like you, missing that deep connection, meaningful conversations, and excitement we had when we first met. However, we have used what we share in this book to reconnect, grow together and rekindle intimacy in our marriage; emotionally, intellectually, spiritually, physically, sexually, and much more. As a result, we now have a healthier, happier, sexier and satisfying marriage. In this book, you will learn how to: 1. Connect or reconnect with your spouse so that you can rekindle your marriage, without breaking your budget. 2. Overcome emotional, physical, and sexual intimacy issues like mismatched sexual desires in the bedroom. 3. Communicate your feelings with courage, even when you are hurt, frustrated or angry. 4. Create a safe haven so you can be vulnerable with each other without feeling judged. 5. Deal with anxiety about intimacy for yourself or your spouse. 6. The 5 simple things we do every day that has been proven to strengthen intimacy in many marriages; even if you don't have much time. 7. More than 52 conversation starters for deeper conversations, building trust, intellectual and emotional intimacy. 8. So, if you want to enhance intimacy in your marriage, rekindle the romance, and have satisfying sex with your spouse, then this book is for you. More importantly, Emotional and Sexual Intimacy in Marriage will change the way you relate with your spouse, live your marriage, and make intimacy a part of your daily life - starting today Now: Get your copy of this intimacy book for couples today.

Your relationship with your partner really started when you were in 4th grade, since all the uncomfortable, emotional reactions in you today were formed unconsciously in childhood. You are married to these old reaction patterns, but your adult self is afraid to embrace them. So you blame your spouse, boss, friends, parents, kids, and everything else for your discontent. This is why relationships fail! I call it Half-Syndrome. You need to return to this inner kingdom of experiences, the other half of self. This is where the work on marriage is. Run, don't walk, into the fire of your old feelings. There is where all the answers to the test are. "Well-written and interesting...an oddly sweet and moving book that I can highly recommend." -Steven C. Hayes, Foundation Professor, Univ of Nevada, author of 38 books including A Liberated Mind: How to

Pivot Toward What Matters "A uniquely insightful book explaining how our past can have a profound impact on our marriage...the lessons, scientific insights, and learnings will help take yourself and your marriage to greater heights." -Bento Leal, author of 4 Essential Keys to Effective Communication in Love, Life, Work-Anywhere! "An enlightening, uplifting and fresh look at the forces at play during marriage...if your marriage is in trouble, it's time to read this fascinating book." -Brian Nox, best-selling author of F*CK Him!: Nice Girls Always Finish Single and Red Flags: How to know he's playing games with you "Waking Up Marriage paints the way to understanding our old souls, and offers a clear path to honesty and redemption. I found myself understood at a deep level once I began to follow its practices." -Ron Seybold, author of the memoir Stealing Home: A Father, a Son, and the Road to the Perfect Game

In love as in comedy, timing is everything. One bad night doesn't mean it's time to quit. Have patience: great marriages, like a successful comedy career, take time. Turns out the cardinal rules of comedy have an uncanny resemblance to the "rules" of building a strong marriage. With humor and grace, writer and comedian Dani Klein Modisett shares a map for navigating your marriage through rough patches, bad jokes, and even nights when you bomb. Take My Spouse, Please shows how thirteen tried-and-true rules of comedy, when applied to marriage, keep you and your spouse connected, enjoying each other, and getting through those inevitable tough times. Bottom line: there is (almost) always room to laugh at a trying situation and, more important, with each other. Along with anecdotes from well-known comedians, comedy writers, marriage counselors, and long-term spouses, Dani delivers the core premise: humor matters.

"Incredibly rich with wisdom and insight that will leave the reader, whether single or married, feeling uplifted." —The Washington Times Based on the acclaimed sermon series by New York Times bestselling author Timothy Keller, this book shows everyone—Christians, skeptics, singles, longtime married couples, and those about to be engaged—the vision of what marriage should be according to the Bible. Modern culture would have you believe that everyone has a soul mate; that romance is the most important part of a successful marriage; that your spouse is there to help you realize your potential; that marriage does not mean forever, but merely for now; and that starting over after a divorce is the best solution to seemingly intractable marriage issues. But these modern-day assumptions are wrong. Timothy Keller, with insights from Kathy, his wife of thirty-seven years, shows marriage to be a glorious relationship that is also misunderstood and mysterious. The Meaning of Marriage offers instruction on how to have a successful marriage, and is essential reading for anyone who wants to know God and love more deeply in this life.

Is Marriage Worth it? Many couples say "I do" with a combination of high hopes and fairy tale fantasies—but there's a difference between the expectations of marriage and the reality of what marriage holds. Whether you're married, single, or dating, now is the time to ask yourself: What steps can I take today to build an incredible marriage for tomorrow?
