No one can appreciate the size or shape of a forest without flying over top to view the big picture. The Bible is like a forest and individual books are similar to trees. Studying small portions of Scripture is worthwhile and necessary. Nevertheless one of the first steps of discipleship after salvation should be an understanding of the big picture in the Bible. God's Unfolding Story of Salvation teaches believers that the biblical storyline is Christ-centered. Often people think of redemptive history only in terms of its promises in the Old Testament and its fulfillment in the New Testament. There is much more to the story than that. In the Old Testament the Holy Spirit also points to Christ through preparation for his birth, pictures or types, and anticipation. Since God's story ultimately affects each one of us, it is worth the time and effort required to understand it. If you do this, you will discover a pearl of great value. Forgiveness of sin and reconciliation with God are the greatest needs of everyone past, present, and future. This redemption story brings glory to God and benefits believers.

a strong anti-Church stance, many even believing the Church does more harm than good. Fr. Josh Johnson was one of these people. In *Broken and Blessed* he tackles the harsh realities facing the Church in the 21st century. With charity and courage he speaks to his own generation of Catholic “Millennials,” who often feel their needs and concerns are not being addressed by the Church, or who simply do not believe the Catholic Faith has any relevance to their lives. Using his own experiences, both as a former struggling young Catholic and as a priest, Fr. Josh offers an inspiring witness of how he came to know God, rather than just knowing about him—and presents practical ways for us to truly know God as well. *Broken and Blessed: Addresses head-on Millennials’ most pressing issues with the Catholic Faith Presents powerful and inspiring stories from Fr. With page upon page of names like Melchizedek, Mephibosheth and Meshelemiah, hundreds of stories – some touching, others humorous and still others that are gruesome, sometimes-difficult-to-understand theology and strange visions, who wouldn't feel overwhelmed and confused about the Bible? How does it all fit together? But imagine that the Bible is a 1 000 piece puzzle. It's easier to figure out what you're putting together if you have the picture on the box to go by and the corners and straight edges as guides. The chapters in this book provide the puzzle's box cover, corners and straight-edged pieces, providing you with the key to unlock the secret of the Bible. Putting together the Puzzle of the Bible breaks up both the Old and New Testament in digestible chunks, or ‘eras’. When you read or study Bible passages, the knowledge of those eras will enable you to place the passage in its chronological context and easily understand how the puzzle fits together. Putting together the Puzzle of the Bible is ideal for those who have little or no familiarity with the Bible or for pastors and lay leaders to help teach a better understanding of the Word of God.

This is the official companion study to season 1 of *The Chosen*, the groundbreaking television series about the life of Jesus. *What Does It Mean to Be Chosen?* parallels each episode, connecting readers to the Bible in a brand-new way. It includes: A deeper look at Isaiah 43 and its fulfillment in Jesus and the lives of His followers (including us!) Script excerpts, quotes, and illustrations from the show Guiding questions for groups or individuals Being chosen by Jesus has beautiful and far-reaching implications—although it says even more about the Chooser than the choosees. We are loved because He’s love. We are saved because He’s merciful. We belong to the family of God because Jesus invites us, making the Bible and all its promises as true for us today as it was for God’s chosen nation. What does it actually mean to be Chosen? To answer that question, we’re going Old school—Testament that is—which leads us back to the New. Which always leads us directly to Jesus.

It is true that without some care in your interpretation, you can "make" the Bible say almost anything. Dig Deeper is written out of the conviction that there is a right way to understand the Bible and a wrong way, and the authors show us how to read it correctly. Dig Deeper offers sixteen "tools" readers can use to get to the bottom of any Bible passage and discover its intended meaning. Examples show how each tool helps readers discover something exciting and relevant in a passage, and the "Dig deeper" exercises offer the opportunity to practice using the tools. The book's brevity and easy-to-read format make it ideal for Christians who want to get the most out of their Bible. The Bible plays a vital role in the life of the Catholic Church. In fact, we are called to immerse ourselves daily in the Scriptures. But many of us get lost when we actually dive into the Bible, and our time spent can be more frustrating than fruitful. We are reading a collection of writings drafted by an ancient people, in an ancient culture. But Scripture is nothing less than the Living Word of God, and it is meant just as much for us as for those who lived thousands of years ago. In *Walking with God*, Dr. Tim Gray and Jeff Cavins unpack the central story woven throughout Scripture and present it in an easy-to-read, concise manner. Gray and Cavins take you on a journey through the "narrative" books of the Bible—the ones that tell the story—and present a panoramic view of God's glorious plan of salvation. Their expert commentary dives deep into the mysteries of Scripture, unlocking its riches and showing how these inspired words are meant for you today. Enter into the Scriptures with *Walking with God*. Witness the fascinating

story of our faith unfold, and see how you, at this moment in your life, fit into God's plan for all of humanity. Nothing captivates the human heart like a good story, and the best story of all is the one authored by God Himself in Scripture. With keen insight and a genius for making the complex simple, Gray and Cavins help us see the big picture of God's Word by guiding us through the depths and compelling details of the biblical narrative. This book is an invaluable guide to the mystery and meaning of Sacred Scripture." Charles J. Chaput, O.F.M. Cap. Archbishop of Denver "For ordinary Catholics, taking a journey through the Bible just got a whole lot easier. With this book, *Walking with God*, Tim Gray and Jeff Cavins make it so that you are starting out on the trip with a good map and compass, along with a couple of great friends as reliable guides. You don't want to miss out on such a great adventure." Scott Hahn, Ph.D. Founder and President, St. Paul Center for Biblical Theology "Faced with contentious questions, ancient cultures, and obscure scholarship, it is easy to forget that the Bible is meant to be heard, read, and prayed by all of us. Dr. Tim Gray and Jeff Cavins offer a highly readable overview of the biblical narrative that is very helpful for the average Catholic to explore the wonders of the Bible. They incorporate modern scholarship without being stuffy and ancient wisdom without being obtuse." Fr. Patrick Brady, S.S.L., S.T.D.
