

The Handbook Of International Trade And Finance The Complete Guide For International Sales Finance Shipping And Administration

The goal of the Handbook is to provide those who own, manage, or certify organic operations with guidance and instructions that can assist them in complying with the USDA organic regulations. It is important to note that the National Organic Program (NOP) Handbook is non-binding and any citation issued needs to reference the USDA organic regulations.

This Export Controls Handbook is intended as a reference tool for exporters and provides information about the administration of Canada's export controls which are administered pursuant to the Export Control List, the Area Control List and the Automatic Firearms Country Control List under the authority of the Export and Import Permits Act.
