

The Power Of Gods Names Tony Evans

Het boek 'Bijbels ABC' is de weergave van een Bijbelcursus die de Amsterdamse predikant K.H. Miskotte (1894-1976) gaf in 1941. Het boek spelde de structuur van de taal en de kernwoorden van het Oude Testament en sprak bemoedigende woorden in oorlogstijd. In de nood van de tijd trok de cursus volle kerken. 'Bijbels ABC' werd in de jaren zestig door de auteur bewerkt en heruitgegeven. Deze editie wordt nu ongewijzigd uitgegeven. Het boek heeft niets aan actualiteit ingeboet en weet ook in deze tijd lezers te boeien.

Davis demonstrates that the activities of biblical interpretation and preaching are essentially related as arts and, in fact, as the arts most fundamental to the life of the church.

John Townsend, New York Times bestselling author, Leadership expert, psychologist and theologian Christopher D. Hudson's book--100 Names of God--is an important read for anyone who wants their understanding of God deepened. God has revealed Himself and it is important for us as the body of Christ to embrace what He has shown to us. This book will help you in this quest. As I read through the names of God I was struck by how awesome our God is. My faith in Him grew as I realized that God is even more than I could ever imagine. If you need a boost in your walk, confidence to engage this world and something to overcome all the negative thoughts that bombard you daily, then read this book - then read it again. World History This is a book I've been waiting for ever since I heard Amy Grant sing the song, El Shaddai some 30 years ago. For me it was a haunting song about the power of God's name. El Shaddai. El Elyon. Adonai. The lyrics by Michael Card beautifully tie the Old Testament promise into the New Testament fulfillment. By helping us understand the many names of God sprinkled through Scripture, this book does the same. As a result, the book is just as moving and memorable as the song. Read it in a long afternoon or over 100 days, and you'll be reminded (or learn) that God is a Strong Tower, a Rock, a Potter, a Consuming Fire, the One Who Lifts My Head, and, of course, our Deliverer. To complement the engaging, reader-friendly content, the book also includes a nice index and a plan for breaking the book down into a six-week personal or group study. This is a book I will not give away. It will stay on a nearby shelf in my office.

Jay Payleitner, best-selling author of *What if God Wrote Your Bucket List?* 100 Names of God is exactly what I expect from a Christopher Hudson book--a fresh and practical perspective on an important topic, highlighting the fascinating interplay of passages throughout Scripture. Informative, intriguing, and inspiring!

Paul Kent, Author of *Know Your Bible* and *The Real Force: A 40-Day Devotional* There has long been a need for a Christian devotional that balances the literary virtues of readability, brevity, and depth. Christopher Hudson has threaded the theological needle with his latest work: *100 Names of God Daily Devotional* (Rose Publishing). Beautiful in presentation, stylish in appearance, and formatted for readability, the book provides a refreshing reading experience often lacking in today's literature. More important, however, is its design and content. Hudson deftly identifies 100 common and not-so-common divine names that prove to be a devotional delight. Each devotional provides a Divine name/title/description, its English translation, and a biblical reference of its use. These are followed by engaging narratives that weave modern-day storylines with rich overviews of corresponding biblical passages that introduce the reader to that particular name of God, followed by its application to our lives. Each devotional concludes with a reflection question, commitment prayer, and suggested scripture for those wanting deeper study for personal enrichment. *100 Names of God Daily Devotional* is accessible and approachable while also being relevant and readable. It meets the needs of growing believers who have the desire for a deeper dive in their daily devotions. Moreover, Christopher Hudson's ability to provide biblically-informed readers with a broad diversity of Greek, Hebrew, and Aramaic divine names, each of which is indexed to Strong's numbering system, makes this devotional a theological treasure trove that will prove to be popular with pastors, professors, and mature Christian believers everywhere.

Gods in the Desert explores the fascinating religious cultures of the ancient Near East. From the mysterious pyramids, tombs, and temples of Egypt to the powerful heroes, gods, and legends of Mesopotamia, Glenn Holland guides readers through the early religions that are the root of many of today's major faiths. Holland compares the religions of ancient Egypt, Mesopotamia, and Syria-Palestine, including Israel and Judah, from the Neolithic era through the conquest of Alexander the Great. He provides a historical survey of each region, then discusses the gods, the rulers, the afterlife, and the worship rituals. This accessible overview makes clear how these religions converged and diverged, and are intimately connected to many of the religions we recognize today, sometimes in surprising ways.

Heldendicht, daterend uit de 8e eeuw v. Chr.

Christopher Hitchens trekt in God is niet groot fel van leer tegen de godsdienst. Door nauwkeurige studie van belangrijke religieuze teksten laat hij zien dat religie niet meer is dan een wens van de mensheid. Religie is het gif dat de maatschappij verziekt, ze is een oorzaak van gevaarlijke seksuele repressie. Helder legt Hitchens uit waarom het beter is het leven te baseren op de seculiere wetenschap en de redelijkheid. God is niet groot is stilistisch briljant, geestig, boos, onredelijk, overtuigend, erudiet en scherpzinnig – een boek om in één adem uit te lezen.

The Scriptures tell us that when we pray the will of God, he delights to answer our prayers. But what is God's will in any given situation? How can we know it? And if we don't know it, how can we pray it? Linda Evans Shepherd shows readers that God's will is not a mystery--it's clearly laid out in his Word through his many promises. Through stories, practical application, examples of prayers, and guided reflection, Shepherd leads readers toward a more powerful prayer life. Arranged by topic for ease of use, this book shows how to pray God's promises - of his presence - of love - of peace - of joy - of hope - for provision - for health - for breakthroughs - for our relationships - over children and loved ones Shepherd includes a chapter on God's powerful answers to prayer that will inspire readers to search the Scriptures, pray God's will, and wait expectantly for his promised answers.

The Gods of Egypt, first published in France in 1992 and now in its third French edition, is a short, elegant, and highly accessible survey of ancient Egyptian religion. The clarity and brevity of Claude Traunecker's book make it especially valuable to readers seeking an authoritative introduction to this complex topic. The Cornell edition, the first English translation, is enhanced by 23 illustrations. Traunecker begins with an overview of the source materials and a discussion of the historiography of Egyptian religion, a subject relatively neglected by scholars. He then describes the actual and metaphysical worlds inhabited by the Egyptian deities and the role that humans played in the Egyptian universe. Focusing especially on the diversity and number of approaches used by Egyptians to explain their world, The Gods of Egypt offers a succinct and highly readable presentation of recent interpretations of Egyptian religion.

Madeline Miller heeft op bewonderingswaardige wijze de klassieker Ilias opnieuw vormgegeven in een eigentijdse, spannende roman waarvoor ze de Orange Prize 2012 heeft

gekregen. Patroclus is een jonge prins, verbannen naar het koninkrijk van Phthia om daar op te groeien met godenzoon Achilles. Achilles is sterk, mooi, een gouden kind: alles wat Patroclus niet is. Maar ondanks hun verschillen raken de jongens innig bevriend, en hun band wordt sterker naarmate ze ouder worden. Dit tot verdriet en woede van Achilles' moeder Thetis, een wrede zeegodin die een hekel heeft aan stervelingen. Als duidelijk wordt dat Helena van Sparta is ontvoerd en alle Griekse mannen verplicht zijn om haar eer te wreken en Troje te belegeren, sluit Achilles zich aan bij het leger, verblind door de belofte van roem. Patroclus, verscheurd door liefde voor en angst om zijn vriend, gaat met hem mee. Zij weten niet dat het lot hen tot het uiterste zal testen en hun zal vragen om een verschrikkelijk offer.

Many people, even Christians, bear names that exalt Satan and their gods. I have seen ministers of the gospel, who teach about the power of confession but bear names that exalt Satan. But I have also seen examples in the Bible where God had to change names in order to bring about true fulfillment in the lives of the bearers. Can your name make or mar your destiny? Can your name hinder you from fulfilling God's purpose for your life? IS THERE ANY POWER BEHIND NAMES? My dear reader, the book you hold in your hands provides answer to these and many more questions you may wish to ask on this matter. This godly inspired and thoroughly researched book will give you understanding in order for you to become outstanding in life. I LOVE YOU!

Paus Benedictus XVI voltooit indrukwekkende Jezusstudie;;; Joseph Ratzingers persoonlijke visie op de centrale mysteries van het katholieke geloof: lijden, dood en verrijzenis van Jezus De Jezusstudie van paus Benedictus XVI wordt als een van de belangrijkste religieuze publicaties van deze tijd beschouwd. Het is ook een van zijn meest persoonlijke boeken. Jezus is een controversiële figuur. Voor gelovigen is hij de zoon van God, voor anderen is hij enkel een profeet. In dit boek verdedigt Ratzinger met kracht de stelling dat de 'ware historische Jezus' en de 'Christus van het geloof' identiek zijn. Onmisbaar voor wie in de figuur van Christus geïnteresseerd is.

Vuur en duisternis van Sinclair McKay is een bloedstollende reconstructie van het bombardement op Dresden. Op 13 februari 1945, om kwart voor tien 's avonds, stegen er 244 Britse bommenwerpers op richting de Duitse stad. Het was het begin van een van de meest destructieve bombardementen van de Tweede Wereldoorlog. De stad werd volledig verwoest. In de nietsontziende vuurzee zouden die nacht en ochtend in totaal 25 000 doden vallen. McKay beschrijft ook het leven in Dresden voor en na de aanval. Zijn grote kracht is dat hij het verhaal vanuit meerdere perspectieven vertelt: in de eerste plaats vanuit de Dresdenaren zelf, maar hij laat ook een aantal in Dresden gestationeerde Duitse officieren aan het woord, en de Britten, uiteraard. In één nacht werd een van de mooiste steden van Duitsland volledig vernietigd. En dat terwijl de oorlog al op z'n einde liep. Vuur en duisternis is een monumentaal boek. Het effect op de lezer ijlt nog lang na.

Genomineerd voor de Hebban Awards 2017 in de categorie Beste Non-fictie.De Dalai Lama en Desmond Tutu hebben beiden veel tegenslagen moeten overwinnen. Ondanks hun ontberingen - of zoals ze zelf zeggen dankzij hun ontberingen - behoren ze tot de vrolijkste mensen ter wereld. Ter gelegenheid van de 80e verjaardag van de Dalai Lama reisde Desmond Tutu naar Dharamsala om samen HET BOEK VAN VREUGDE te maken als cadeau voor iedereen. Tijdens deze bijzondere week toonden ze met hun eigen uitbundigheid, compassie en humor hoe vreugde kan groeien van een voorbijgaande emotie tot een blijvende, solide levenshouding. Douglas Abrams was bij de gesprekken aanwezig en verwerkte ze tot dit boek. Een boek waar je blij van wordt, alleen al vanwege de liefdevolle manier waarop deze oude wijze mannen met elkaar omgaan, de levensvreugde en speelsheid die ze delen en de respectvolle manier waarop ze hun verschil van inzicht bespreken, want de boeddhistische en de christelijke traditie hebben naast veel overeenkomsten ook duidelijke verschillen. Het is mooi om te lezen hoe onbelangrijk die verschillen worden, want hun

kernboodschap is dezelfde: vreugdevol leven bereik je door anderen vreugde te brengen. A comprehensive illustrated reference guide with more than 400 entries on the subjects of magic and alchemy.

Who am I? Does God see me? Does God love me? What is my purpose? So much is tied up in our longing to know who we are: our worth, whether we're loved, what we're meant to do with our lives. But there's a powerful truth that settles every question: God has named us, and the names he has spoken over us settle every question and pain we have experienced in our search for identity. Names help us know that we belong and to whom we belong. Names carry authority and power. But we also carry other names painful, damaging names that we have spoken over ourselves or that others have branded on us. Too often, in times of low self-worth, grief, or failure, we exchange our God-given identity for those false names. When we believe God's names for us, we will discover a life lived with purpose and passion. Are you ready to accept God's invitation to silence the inner voice that keeps you from living freely, joyfully, and confidently? A lot is at stake in understanding the sacred truth of who you are. The names you believe about yourself impact how you live, how you love, and how you move and bear witness to the gospel. Hear this: God has true names that he speaks over you and wants you to hear above the false banter. Known invites you to understand and embrace what it means to be created and named in the image of God. In the process, it will ignite a passion to speak life-giving names over others, to bless them through the power of the Name that is above every other. With vulnerability and humor, Aubrey Sampson shows you what it means to be powerfully and personally made and named in the image of God. Everything changes when you believe this incredible truth: You are known by God.

Magie, seks, misdaad en sensatie, humor, verlossing: De gouden ezel van Apuleius van Madauros (ca. 125-180) heeft het allemaal. De roman vertelt het verhaal van Lucius, een jongeman die per ongeluk verandert in een ezel en zo allerlei avonturen beleeft. Hij hoort de vreemdste verhalen, zoals het beroemde sprookje van Amor en Psyche, en raakt betrokken bij moord, roof en overspel. Pas op het dieptepunt van zijn leed reikt de godin Isis hem de helpende hand... Maar is dat ernst of spot? Religieuze diepgang of satire? In dit levende boek verandert alles telkens van vorm. Dat geldt voor het verhaal, maar ook voor de flonkerende stijl. Op sublieme wijze jongleert Apuleius met taal en literaire conventies. De gouden ezel is een verhaal dat direct aanspreekt, maar ook een spel op niveau met de lezer, een postmoderne roman avant la lettre.
