Why cutting up your credit cards won't make you rich A popular TV personality often says, "Take out your credit cards and cut them into pieces." While that is sound advice for people who are not financially responsible, it is inadequate advice for anyone who wants to become rich or financially free. In other words, just cutting up your credit cards will not make you rich. What does make you rich is financial education ... unfortunately a type of education we do not receive in school. If a person has a solid financial education, they would know that there are two kinds of debt ... good debt and bad debt. A person with a sound financial education would know how to use good debt to make them richer faster ... much faster than a person who only saves money and has no debt. Terdapat pelbagai cara bagi menjadi kaya. Antara caranya adalah memotong kad kredit sendiri dan menjalani kehidupan dengan berjimat cermat. Saya memilih untuk tidak mengikut cara tersebut kerana harga yang perlu dibayar terlalu tinggi. Cara lain adalah dengan mengahwini seseorang demi wang. Sekali lagi, saya mungkin dapat mengikut cara ini, tetapi harganya kelak jauh lebih tinggi, meskipun ia adalah cara popular bagi menjadi kaya dengan

Satu cara lagi bagi menjadi kaya adalah dengan mempertingkatkan tahap literasi kewangan, kepintaran kewangan, dan kebertanggungjawaban ke atas diri sendiri, iaitu bertanggungjawab terhadap hasil yang diperolehi, memastikan pembelajaran yang berterusan, dan memajukan diri sendiri dalam usaha menjadi manusia yang lebih baik. Bagi saya, itu adalah harga yang saya sanggup jelaskan.

If you're interested in real estate investing, you may have noticed the lack of coverage it gets in mainstream financial media, while stocks, bonds, and mutual funds are consistently touted as the safest and most profitable ways to invest. According to real estate guru Ken McElroy, that's because financial publications, tv and radio programs make the bulk of their money from advertising paid for by the very companies who provide such mainstream financial services. On the other hand, real estate investment is something you can do on your own--without a large amount of money up front.

Picking up where he left off in the bestselling ABC's of Real Estate Investing, McElroy reveals the next essential lessons and information that no serious investor can afford to miss. Building on the foundation of real estate investment 101, McElroy tells readers: How to think--and operate--like a real estate mogul How to identify and close expert deals Why multifamily housing is the best real estate investment out there How to surround yourself with a team that will help maximize your money How to avoid paying
