“If you love Sherlock Holmes, you’ll love this book...the best account of Baker Street mania ever written.”—Michael Dirda, *The Washington Post* Winner of the Agatha Award for best nonfiction work Edgar Award finalist for best critical/biographical work Anthony Award finalist for best critical/nonfiction work Everyone knows Sherlock Holmes. But what made this fictional character, dreamed up by a small-town English doctor in the 1880s, into such a lasting success, despite the author’s own attempt to escape his invention? In *From Holmes to Sherlock*, Swedish author and Baker Street Irregular Mattias Boström recreates the full story behind the legend for the first time. From a young Arthur Conan Doyle sitting in a Scottish lecture hall taking notes on his medical professor’s powers of observation to the pair of modern-day fans who brainstormed the idea behind the TV sensation *Sherlock*, from the publishing world’s first literary agent to the Georgian princess who showed up at the Conan Doyle estate and altered a legacy, the narrative follows the men and women who have created and perpetuated the myth. It includes tales of unexpected fortune, accidental romance, and inheritances gone awry, and tells of the actors, writers, readers, and other players who have transformed Sherlock Holmes from the gentleman amateur of the Victorian era to the odd genius of today. *From Holmes to Sherlock* is a singular celebration of the most famous detective in the world—a must for newcomers and experts alike. “Riveting...[A]

wonderfully entertaining history.”?TheWall Street Journal “Celebrates the versatility of one of fiction’s most beloved characters...terrific.”?TheChristian Science Monitor Lists records and statistics related to human beings, animals, science, technology, buildings, transportation, business, arts, entertainment, human achievements, and sports

Everybody knows about Sherlock Holmes, the unique literary character created by Sir Arthur Conan Doyle, who has remained popular over the decades and is more appreciated than ever today. But what made this fictional character, dreamed up by a small-town English doctor back in the 1880s, into such a great success? This is the fascinating and exciting tale of the man and people who created the Holmes legend. The book was winner of the Best Non-fiction Award by The Swedish Crime Writers' Academy 2013 and shortlisted for The Great Non-Fiction Book Prize (Sweden's biggest non-fiction award) in Sweden 2013.

D-Day - June 6, 1944 - was a pivotal day in human history. This was the great turning point of the Second World War, when the largest armada ever assembled took a third of a million Allied men across the English Channel. The invasion force of 150,000 troops from Britain, the United States, Canada and many other nations fighting on the Allied side on D-Day under the command of Generals Eisenhower and Montgomery landed on five beaches to spearhead Operation Overlord, the invasion of German-occupied mainland Europe. On Omaha, Utah, Gold, Juno and Sword beaches they fought through what has been described as the longest day against deadly German firepower but many sadly would not live to see the end of the day. This new paperback edition of a classic account of D-Day told through firsthand accounts brings vividly to life the bravery and skill of the young men called to fight to liberate Europe. For many it was their first experience of combat and it would change their lives for ever. The accounts are taken from letters, diaries and interviews and range from generals and politicians to front-line soldiers and civilians. The accounts in this book tell the whole story of D-Day from the meticulous planning of the four years following the retreat at Dunkirk, the invasion armada, the fighting on the beaches and the first foothold in

France, the hard-fought progress through the bocage countryside of Normandy before the German army was surrounded and the Allies could breakout at speed and sweep through France to the German border, not forgetting the role of the home front throughout the campaign. Even today there are many reminders of D-Day that visitors can see on the beaches of Normandy and in the towns, villages and cemeteries inland.

On Crosswords covers three major, interrelated topics: crossword history, kinds of crosswords and how crosswords relate to everything else. “Everything else” includes a breathtaking range of topics: marriage proposals, national politics, software development, counterespionage, typography and racism are just some of the high points. Readers will meet the personalities who have made the art form what it is today, and discover the many subspecies of crossword, each with its own personality. And they will walk away with the most complete understanding of the form that any single book can give.

Another great book of puzzle-solving challenges at a popular price! Fans have already snapped up the first 17 volumes of Los Angeles Times Crosswords. They’re entertaining, and a great value: not only are the crosswords more mainstream and fun than the ones in The New York Times, but each book contains a generous 72 puzzles—not the mere 50 of competing volumes. The stay-open, lie-flat, specially reinforced spiral binding makes it easier to work on the puzzles anywhere, too.

New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country. With

award-winning writing and photography covering everything from politics and food to theater and fashion, the magazine's consistent mission has been to reflect back to its audience the energy and excitement of the city itself, while celebrating New York as both a place and an idea.

Thanks to the twenty-four-hour news cycle, today we can learn of big news developments in no time at all. But what about the smaller—and stranger—events that are often overlooked or ignored? This captivating volume offers readers the oddest stories ever to hit the newspapers. A dog on trial for murder? A man who choked to death on the garlic he used to repel vampires? A torrent of frogs raining from the sky? A lady who picked up broadcasting signals through her teeth? The trouser thief? These crazy news stories will convince readers that truth is often stranger than fiction. Sidebars, a glossary, and books and websites in the further reading section are also included.
