From New York Times bestselling author Karen Hawkins comes another "mesmerizing fusion of the mystical and the everyday" (Susan Andersen, New York Times bestselling author) in her Dove Pond series--and this time Ava's famous tea leaves spell trouble ahead. Ava Dove--the sixth of seven daughters of the famed Dove family, and owner of Ava's Landscaping and Specialty Gourmet Tea--is frantic. Just as she is getting ready to open her fabulous new tearoom, her herbal teas have gone wonky. Suddenly, the tea that is supposed to help people sleep is startling them awake with vivid dreams; the tea that infuses romance back into tired marriages is causing people to blurt out their darkest secrets; and the tea that helps people find happiness is making them spend hours staring into mirrors. Meanwhile, living four doors down the road from Ava, sixteen-year-old Kristen Foster's life has just crashed down around her. After her mother's death, Kristen's grandmother Ellen has arrived in town to sweep Kristen off to a white mansion on a hill in distant Raleigh. But Kristen has had enough 'life changes' and is desperate to stay with her friends in her beloved hometown of Dove Pond. But to do so means Kristen must undertake a quest she's been avoiding her entire life--finding her never-been-there-for-her father. With the help of an ancient herbal remedy book found in her attic by

Experts agree: The turbulence triggered by the economic shock of 2008 constitutes the "new normal." Unfortunately, too many managers have become paralyzed by it, capable only of slashing costs indiscriminately. Though examining spending during recessions makes sense, the smartest executives do much more. As Scott Anthony reveals in *The Silver Lining*, these leaders continue innovating--by stopping ineffective initiatives, changing key business processes, and starting more productive behaviors. Result? Their companies emerge from downturns stronger than ever. Providing a wealth of ideas, tools, and examples from diverse industries, Anthony explains how to safeguard your company's profitability during even the toughest recessions. You'll discover how to:

- Prune your innovation and business portfolio to liberate resources for more promising initiatives
- Adopt a radical new market-segmentation scheme that helps you re-feature your offerings to reduce costs while delivering new value to customers
- Reinvent your innovation process to drive fresh growth
- Mitigate innovation risks by conducting strategic experiments and forging alliances with customers and other external entities
- Appeal to increasingly value-conscious

customers to fend off low-cost attackers In today's brutal economic climate, executives must pare costs to the bone while planting and nurturing seeds for tomorrow's growth. The Silver Lining explains how to master this seemingly impossible challenge.

In all of life's challenge, there comes a Silver Lining... Can you find it? In the four minutes it took the first paramedics to arrive, some decided I was dead. I didn't like that decision. I wasn't ready to go. So I fought.

This is the story of a real family. After years of unrest and threats of deportation by the English, in 1750 a number of Acadian families flee from their prosperous wheat farms in Acadie (renamed Nova Scotia by the English), to live in French-controlled Île Saint-Jean (Prince Edward Island). For nine-year-old Pelagie Benoist, this is the beginning of almost thirty-five years of displacement and searching for a place to call home. After five difficult years in Île Saint-Jean, Pelagie's family moves to the Fortress of Louisbourg on Ile Royale. They live a very different life in this fortified town, which has a busy port and a thriving fishing industry. Their peaceful existence ends when war is officially declared between France and England in the spring of 1756. The civilians inside the fortress can only wait, knowing the English will attack. Louisbourg is captured by the English in 1758, and all Acadians are deported to France. After twenty-six years of

wandering, hardship, and suffering, including the loss of many loved ones, Pelagie finally has a chance to move to Louisiana. Will this be the home she's been searching for? Or will it be one more disappointment? "A very moving and compelling piece." —Anne Marie Lane Jonah, historian at the Fortress of Louisbourg, Louisbourg, Nova Scotia, Canada. "I really enjoyed reading the manuscript and I congratulate you for this wonderful contribution to our common history and heritage." —Maurice Basque, scientific advisor, Institut d'Études Acadiennes, Université de Moncton, Moncton, New Brunswick, Canada.

Two young women face the consequences of the Great War... Perfect for fans of *Dilly Court* and *Katie Flynn*. It's 1918, the war is finally over, and Sarah Donnelly and her cousin Nancy are filled with hope for the future. In particular, Sarah eagerly awaits the safe return of her cousin Zachary, whom she has adored since childhood. But when Zachary returns to Blackpool, shattered by the horrors of war, he can barely face his family let alone reciprocate Sarah's affections. Refusing to be thwarted by rejection, Sarah throws herself into her job at Donnelly's tea rooms, where her father, the owner of Blackpool's most popular department store, has

allowed her to work. Then Sarah spies a run-down building to let near North Shore, and decides to set up in business, running her own tea rooms.

Meanwhile, Nancy, forever a dreamer, has chosen to follow in her mother's footsteps onto the stage, but it is not long before her youthful naivety lands her in trouble... What readers are saying about Margaret Thornton: '[Margaret Thornton is] one of those writers with a sure skill in creating characters who become real to the reader. Indeed, so much so that they seem to leap out of the pages and make the story of which they're a part even more compelling' 'Margaret Thornton is a brilliant storyteller. Her books draw you in, so you feel you know the characters. Hard to put down' 'Five stars'

How unbelievably dull my life was. I did everything I was supposed to. I was such a good girl. I lived in the house he chose and cleaned a dead woman's furniture. I bought hats, who the hell wears a hat? And all the time I wanted to scream because I was so bored. On one dark and stormy night in the upper day room of the Silver Retirement Home, five elderly women are trading stories of their remarkable (or sometimes unremarkable) lives. With the storm floods rising and no rescue team in sight, the ladies are faced with the sudden realisation that in order to survive they are going to have to do what they have done for their entire lives – do it themselves! Silver Lining is a hilarious comedy by Sandi Toksvig. It tells the tale of a group of extraordinary yet

There's a silver lining is an evocative saga, steeped in warmth and nostalgia, in which heartache, happiness, tragedy and triumph lie in store for a close-knit Blackpool community.

It is said that every cloud has a silver lining. But the silver lining was not immediately apparent when a car accident so violent resulted in a pronouncement of clinical death for the young woman driver, the author of this book. This is the inspiring story, in her own words, of her journey to the Spiritual World while lying "dead" in the hospital, her return to a body broken and paralyzed, and the miracle of her recovery. The author's optimism, determination and perseverance takes her from tragedy to triumph as she parts the dark clouds to reveal a silver lining of insight, love and wisdom.

Embracing a philosophy that life is a movie produced by God, neural health patient Pat Peoples endeavors to win back his estranged wife by making strategic sacrifices and coordinating their communications through a depressed widow.

While on the trail headed West, Low Down nurses a band of travelers through the box and ends up in an arranged marriage to an admittedly handsome man.

Not all stories have happy endings... But then again, not all stories end at death, either. When a God is inept, he creates wars. When a man is adept, he is hunted. Not just in this life, but in the next, and again still... For eternity. In either option, there is only one silver lining... And he's ready to run.
