Ikonomou's stories convey the plight of those worst affected by the Greek economic crisis--laid-off workers, hungry children. In the urban sprawl between Athens and Piraeus, the narratives roam restlessly through the impoverished working-class quarters located off the tourist routes. Everyone is dreaming of escape: to the mountains, to an island or a palatial estate, into a Hans Christian Andersen story world. What are they fleeing? The old woes--gossip, watchful neighbors, the oppression and indifference of the rich--now made infinitely worse. In Ikonomou's concrete streets, the rain is always looming, the politicians' slogans are ignored, and the police remain a violent, threatening presence offstage. Yet even at the edge of destitution, his men and women act for themselves, trying to preserve what little solidarity remains in a deeply atomized

society, and in one way or another finding their own voice. There is faith here, deep faith--though little or none in those who habitually ask for it. From the Trade Paperback edition.

enchancing folk tales are sure to be enjoyed and shared time and again. This hilarious and profound workplace guide proves the rigorously rational and the supremely sympathetic can meet in the middle and merge their strengths. Readers will discover how blending with their opposite opens the pathway to being their truest selves. The famed Myers-Briggs personality scale says that Feelers (who lead with their hearts) put more weight on personal concerns and the people involved, and Thinkers (who lead with their heads) are guided by objective principles and impartial facts. This book calls them Cacti and Snowflakes—each singularly transcendent. But can people with such fundamentally different ways of making sense of and engaging with the world work together? Yes, says Devora Zack! The key is not to try to change each other. Zack says we can directly control only three things: what we say, what we think, and what we do. The best use of our energy is to focus on our own reactions and perceptions rather than try to “fix” other people. This book includes an assessment so readers can learn where they are on the Thinker/Feeler spectrum—and because it's a spectrum, readers might well be a snowcactus or a cactusflake. Then Zack helps them figure out where other people might be, guiding them through a myriad of modes of communication and motivation based on personality type. She includes real-life scenarios that show

how to nurture one's nature while successfully connecting with those on the other side. As always, Zack fearlessly and entertainingly dispels myths, squashes stereotypes, and transforms perceived liabilities into strengths. And she once again affirms that, like chocolate and peanut butter, we are better together. A summer camp dream romance turns into a nightmare in this frighteningly fun addition to the You're Invited to a Creepover series. All the girls in Bunk 9 at Camp Minnehaha wake up one morning having had the same terrible nightmare about a sinister boy in an abandoned cabin in the woods. All the girls, that is, except goody-goody Samantha Harmon. The boy in Sam's dream was handsome, enchanting, and so real. Even though Sam knows it's against the rules to venture into the woods alone, she sets off in search of her dream boy—and finds him! Dennis Shaw is just like the boy from Sam's dream, and he seems really into her. The only problem is that Sam's twin sister Ali is jealous of Sam's new boyfriend, and she'll stop at nothing to make him her own. But when Dennis gets a little intense and says he wants to be together forever with his dream girl, neither Sam nor Ali realizes just how long forever can be... The tale of this nightmare summer romance is ranked a Level 3 on the Creep-o-Meter. Diana Gabaldon has captivated millions of readers with her critically acclaimed Outlander novels. In this lighthearted romantic suspense novel, a cheerleader turned PI tech wiz wonders if her neighbor is a wanted criminal—or if she just plain wants him. Summer O’Keefe’s new neighbor, Jason Parker, has gorgeous eyes and a mighty cute butt. She wouldn’t mind ending her romantic dry spell by diving into his sheets...if she hadn’t spotted him in the middle of the night, burying something—or someone?—in his backyard. Not to mention his distinct resemblance to the international arms dealer she’s tracking online. Jason has a few secrets, and he’s not sharing them with the slightly nutty Summer—at least not yet. Though he’s finding it hard to say no to her scrumptious curves and

Fifteen years have passed since Terry and Nick have graduated from high school, and during that time, a lot has happened. Terry has gone to Vietnam as a medic, and Nick has been to Costa Rica as a Peace Corps Volunteer. When Terry returns to St. Louis to join his wife, Jenny, and his one-year old son, he pursues his commitment to God by becoming a minister in a local Lutheran church and dedicates his life to serving Christ. Nick too returns to St. Louis where he marries his high school sweetheart, Lolly, and graduates from college with a PhD in Geophysics. Although totally dedicated to their husbands, Lolly and Jenny have their own interests as well. Lolly has become a pediatrician and balances her time as a doctor with the scheduled piano tours she makes worldwide to raise money for a medical clinic and shelter she has founded for

the homeless in North St. Louis. Jenny, on the other hand, is busy running a dance studio and directing the St. Louis Ballet Company. Their hectic schedules soon lead to rising tension in their relationships, and they soon find themselves drifting apart and questioning their purposes in life. However, their lives are forever changed when they all decide to travel to Europe together to provide support and encouragement to Terry's brother, David, who is competing in the Olympics. It is only then that David realizes he has been given a special gift from God and that it is to be used to pursue and vanquish the evil that has emerged when a familiar face from the past suddenly appears.

"A charming book, ringing with the joy of existence." -- Richard Dawkins "This lyrical exploration of how we can find beauty in the natural world comes from the daughter of Carl Sagan . . . A wonderful gift for your favorite reader." --Good Housekeeping The perfect gift for a loved one or for yourself, *For Small Creatures Such as We* is part memoir, part guidebook, and part social history, a luminous celebration of Earth's marvels that require no faith in order to be believed. Sasha Sagan was raised by secular parents, the astronomer Carl Sagan and the writer and producer Ann Druyan. They taught her that the natural world and vast cosmos are full of profound beauty, that science reveals truths more wondrous than any myth or fable. When Sagan herself became a mother, she began her own hunt for the natural phenomena behind our most treasured occasions--from births to deaths, holidays to weddings, anniversaries, and more--growing these roots into a new set of rituals for her young daughter that honor

the joy and significance of each experience without relying on religious framework. As Sagan shares these rituals, *For Small Creatures Such as We* becomes a moving tribute to a father, a newborn daughter, a marriage, and the natural world--a celebration of life itself, and the power of our families and beliefs to bring us together.

Football is everything, but love is the only game that matters. Twice we've been together, and twice we've nearly destroyed each other. This is our last shot at forever—if we're brave enough to take it. Quinn I thought I made the right decision—the selfless choice—but now it feels like I've hurt everyone, including myself. What I thought was true and solid and dependable is disappearing. I'm on my own, and I'm terrified. Maybe it's time to find out who I really am, even if that means running away from what I thought I needed. I can't risk trying again with Leo until I know we have a real chance to make it, even though I can't picture a future that doesn't include him. Leo Once upon a time, not that long ago, I had just about everything I ever wanted. But if there's anything I've learned, it's that life is unpredictable. One twist can change it all, and suddenly, I'm alone. Even football, the one constant in all the insanity, somehow isn't enough anymore, because without her, everything else is empty. Meaningless. I've got one shot left. One more chance to win her heart. We're not kids now, and I know that being good enough for Quinn isn't some game I can fake my way through. She's more than the prize; she's my reason for living. The world only makes sense when we're together. And this time, I'm going to do whatever it takes to give us our happy ending.

The First Book in the Frobble Series - Frobble: The Brotherhood Opens the Door to Adventure and Friendship! With a new sunrise, the day's chores beckon, not before a less than successful day of fishing. Just when Henry thought it would be a typical day, he is alerted to a distant cry. After a series of events, a new friendship is formed. Through triumph and tragedy, pleasure and pain, a bond is forged that will last a lifetime. Frederick Froehlich brings you the first installment of this new series! This book is the first of a three part series about young Frobble; a lonely child left to fend for himself in the Followberry Woods. As luck would have it, Frobble finds his way into the home of the story's narrator, young Henry. Sadness befalls the family resulting in Frobble and Henry facing extreme challenges and personal struggles as they find themselves finding their way through Brantor Manor, a boarding school for displaced children. Follow Henry and Frobble as they navigate the perks and pitfalls of being outcasts in a new environment. Born out of bedtime stories shared in the Froehlich household, the passion for children and friendship is found throughout the story. Share Frobble's journey in Frobble: The Brotherhood Available now through Blurb Publishing and other book retailers.

Rhys Frost—he's literally too good to be true. Tall, dark, and so handsome, with big strong grease-stained and work-roughed hands, a brilliant smile, and a heart of gold. He's patient. He's funny. And he wants me. He wants to do things to me that I've never even dared fantasize about. The problem is, I'm a virgin, and I haven't told him. * * * I found Torie Goode on the side of the road in a torrential downpour, looking like a sad wet rat. Then I got a better look at her, and I realized I had a woman of truly breathtaking beauty in the passenger seat of my old CJ-7. Somehow, I managed to let myself get lured into a road trip with a gorgeous, tantalizing woman...who was, for some reason, reticent to let things go anywhere between us, physically. She's hiding something. And we're alone in a car for hours on end, days on end. Connecticut to Alaska, to be exact. I want her. She wants me. I just need to figure out what her hold up is, and how to get past it...and what to do if and when I do.

Together, they hatch a plan that proves you should never underestimate Southern ladies of a certain age, and that each day can be a gift, if you're willing to claim it. . . Praise for Fern Michaels and the Godmothers series "Michaels's engaging version of the Golden Girls." --Booklist "Witty, charming, and complicated." --RT Reviews When Toots Loudenberry relocated to Los Angeles from South Carolina to be near her daughter, Abby, she expected to bump into the occasional celebrity. She just never expected them to be dead. Meanwhile, Toots, Sophie, and Mavis are concerned that the prestigious Dr. Sameer's budding romance with Ida may have something to do with his ailing bank balance. And Abby's attempted makeover of the celebrity magazine The Informer into the most talked-about tabloid in town could end more than just her career. But the Godmothers wouldn't be the Godmothers if they weren't pulling a few behind-the-scenes strings, and Abby's hopes of changing the fortunes of The Informer are still alive. Yet it'll take an assist from a source no one could have predicted, let alone see, to secure a story that will shake Tinseltown to its very core. . . LEAVING LA LA LAND Teresa "Toots" Loudenberry has a knack for finding adventure, even when she's not looking for it. But ever since Sophie convinced her friends to start holding regular séances, life in Los Angeles is getting a little too dramatic even for Toots's tastes. When

A harried single mother of two young children in London, Ally James is less than thrilled with her lackluster life. Her job marketing marmalade is a yawn fest and the domestic front seems to streak by in a flash of fish sticks and school runs. To top it all off, Ally's ex-husband David seems to have a never-ending roulette wheel of rotating girlfriends, while Ally has endured two meager (and disastrous) dates in as many years. Then there's David's newest arm-candy, Chantal, who is the first flavor-of-the-month to ever meet the kids—that must mean it's serious. Ally's friend Mel is sure she has the solution to the malaise: a Market Yourself dating seminar. It's either the perfect way to find a new man or the first sign of the apocalypse—Ally isn't sure which, but she
