

True Confessions Of An Escort Volume 2

Sometimes it feels like the universe is conspiring to get things to end up in my mouth....or is that because I'm always thinking about putting things in my mouth?I'm sweet and innocent, so I'll blame it all on the law of attraction.Whether the universe, my dirty little mind, fate or just hot luck, I have jotted down some of my favorite encounters and romantic experiences. Not all, just a couple that I can't stop thinking about.I re-tell them in a fictional way to protect the perverted and the married. Plus, you'll enjoy them more that way.She Dunks the Whole TeamThis is one of those stories that I SWORE I would never tell another living soul... because it makes me look like a total cum dump slut.... but quite a few of you secret perverts emailed me asking if I had ever had a threesome or gangbang experience.So I decided to tell this one. (Yes, there were other. Don't judge me. I work hard. Don't I deserve to play every once in a while?)And I did play this particular night, with a lot of balls.Gag Me, OfficerI was gagging on my anger when this officer suggested that I was an escort. Moi?I was so offended that I had no choice but to take it out on his big black cock.If you've read my other little tabloid tales, then you already know this one is based on a true experience.Yes, I was a bit slutty in this particular instance, but... but... but... there is a sweetness to this story. And it's not just the officer's jizz.Even with the hard fast fuck scene, where he discovered my BIG secret, it was still more like romantic sex than naughty perversion.A young officer with a budding career, soon to be married, soon to become a dutiful husband and a loving father: I was simply helping him transition into his new life and shedding his old one....Allowing him to leave all his frustrations, fear, and

anxiety inside me. You read it and tell me if you see the situation the same way as I do. The T-Girl Next Door Short enough to pat on the head, cute dimples and one of the biggest black dicks I'd ever seen - Of course this is a love story. I actually don't know how you'll judge me for my involvement with this guy. After all, he was another woman's man at the time. But in my defense... wait, no... I won't give away the ending. I will say that we were both at a crossroads in our lives at the time. Unlike some of my stories that are fan favorites, this is a sweeter tale. It's not all rough sex and me living out a dirty fantasy. I owe this guy a great deal. He showed me another side that I'd never considered before about why some straight guys go after special girls like myself. I should have known better. It's not always about fetishism. Submit to Mama! A big hairy ass and one of the nastiest attitudes never want to encounter. Big as a linebacker, but still a spoiled brat. Coddled by his helicopter dad, who had been bailing him out of trouble since he could walk upright. He still drags his knuckles You know? The guy that's at the center of all the drama when the cops show up to break up a bar brawl. That guy. I wonder if there is some scientific, biological, evolutionary correlation to the size of a man's ball sack and his attitude. The bigger the balls, the bigger the Neanderthal jerk persona? I was frightened and shaking in my heels the first time I encountered this guy. I was in fear of my life.

A firsthand account of how public officials and other well-connected individuals have been compromised or blackmailed by their sexual improprieties, Confessions of a D.C. Madame relates the author's time running the largest gay escort service in Washington, DC, and his interactions with VIPs from government, business, and the media who solicited the escorts he employed. The book details the federal government's pernicious campaign waged against the author to ensure his silence and how he withstood relentless, fabricated attacks by the government, which included incarceration rooted in trumped up charges and outright lies. "Well, I told him it was my first time and never done anything like that before ... he sort of calmed down a bit and made me to sit on the bed with him. He said he was sorry and didn't know it was my first time and said, he understood and would be gentle with me." "I was feeling so horny at this point, I was on top of Susan fucking her really slowly as I got her to tell me more... She continued, "He started to hug me and then he was kissing me ... his hands were inside my blouse and bra, squeezing my tits and then he was between my legs ... He made me lie down on the bed while he went down on me... you know ... He pulled my knickers and tights right off but I still had my skirt and blouse on, then he was licking and fingering me... I started crying again but he didn't stop, I just lay there on the bed and let him do it. Then he got up and told me to take my clothes off ... he stripped off as well ... he was really looked really old and had a big belly. He told me not to cry but seemed to like seeing me upset ... And then he was on top of me ... he put it in and fucked me really hard for about 3 minutes ... grunting like a pig. When he finished, he got off and told me to play with myself while he watched me,

sitting in a chair and playing with his dick again."Excerpt from Chapter 3 - Some of the girls.Sharon lived in a beautiful big house in Surrey, a real stunner with long blond hair, she was like Purdy in the Avengers TV series, if you can remember that far back. Recently divorced with 2 lovely children running around in the garden. We sat there drinking tea from her expensive china tea set in the kitchen, discussing all kinds of things as if her escort work was completely normal. She was obviously quite well off and enjoyed escorting to supplement her income. If you ever met Sharon, you would never believe she was working as an escort.I used to find it really interesting meeting the girls and collecting our fees. Sharon was one of the original girls and regularly paid us £200 - 300 in weekly agency fees. I remember once when she refused to go and see a client. He had specifically asked to see her again ... She told us, he was a young guy in his early thirties and very strong, like a muscle builder. She was mid 40's and beautiful...Anyway, he apparently fucked her for hours and she told us... he wouldn't let her go home... He was like an animal, fucking without cumming for over an hour. Then forcing her to do anal and sucking his cock. She said, she was crying because she was so sore and he wouldn't stop. He apparently really enjoyed hurting her and forcing his cock down her throat making her choke and gag. The poor girl was sobbing her heart out while telling me what he did to her. On top of all that, he still only paid her for an hour when it should have been 3 hours.We eventually found him another girl that day, and did warn her what he was like, but after her telling us a

similar story after she saw him, I had to tell him, that our girls were refusing to meet him... and if he called us again, we would not be able help him. He got all abusive and told us there was nothing we could do as the girls were all slags and prostitutes and we could all fuck off... 'Wonderfully funny and sharp as knives' Sunday Times

as one person. Pedro brings the money and Pablo spends it and makes decisions. Pedro is a dominant rough top in bed and Pablo is a submissive naughty bottom. Pablo influences Pedro's sexual activities by adding new techniques, styles or sexual games that he learnt with his lovers, and Pedro uses them with his clients. Pablo is very organised, creative and charming so Pedro absorbs these qualities and uses them in his work. Pedro takes us on adventures through posh hotels and trips with Royals, with twists and turns that find him in some bizarre situations, moments of danger and in far corners of the world. Pablo on the other hand takes us on a journey of self-discovery; learning about love and relationships, financial management and how to have a life separate to the escorting world. Through entertaining anecdotes and vivid description, the pair teach us about the dos and don'ts of the industry and also of life itself, while breaking the modern day stereotypes of the escorting industry and of those who work in it. Sex, money, drugs and danger: they are all in a night's work for millions of prostitutes around the world. But who are they? What are their lives like? And how do they really feel about what they do? Their answers are here, the unvarnished truth of life in the modern sex trade told by those who work in it. Author Julian Davies interviewed streetwalkers, call girls, brothel workers, dominatrix and even male escorts to uncover their twilight world: the tricks of the trade; the violent punters and bizarre requests; the run-ins with the cops; the risks, the family breakdowns and the absurd situations. Controversial, shocking and explicit, but also often funny and poignant, *Hookers* is the most candid account ever of life inside the underground sex industry.

In 1940s Los Angeles, an unidentified murder victim is found bisected in a shadowy lot. A catchy nickname is given her in jest—"The Virgin Tramp"—and suddenly a "nice little homicide that would have drifted off the front pages in a couple of days" becomes a storm center. Two brothers, Tom and Des Spellacy, are at the heart of this powerful novel of Irish-Catholic life in Southern California just after World War II. Played in the film version by Robert Duvall and Robert De Niro respectively, Tom is a homicide detective and Des is a priest on the rise within the Church. The murder investigation provides the background against which are played the ever changing loyalties of the two brothers. Theirs is a world of favors and fixes, power and promises, inhabited by priests and pimps, cops and contractors, boxers and jockeys and lesbian fight promoters and lawyers who know how to put the fix in. A fast-paced and often hilarious classic of contemporary fiction, *True Confessions* is about a crime that has no solutions, only victims. More important, it is about the complex relationship between Tom and Des Spellacy, each tainted with the guilt and hostility that separate brothers. The public has always had a fascination with true crime, from

A hit at New York's Fringe Festival, Steven Fales' true-life story has become a smash across the US. Now playing off-Broadway, it continues to dazzle audiences with its honesty and wit as the author recounts his story of being excommunicated from the Mormon church for being gay, leaving his wife and children and his subsequent descent into prostitution and drugs.

The use of black testers had been recently approved by the New Jersey Supreme Court as the only valid way to prove and successfully prosecute racial discrimination in real estate offices and apartment complexes. This book wrote itself, so to speak. For many years this

author had maintained the attitude that the multifarious erotic experiences that are the subject of this book ought to remain in the minds of the participants, to be reawakened, revisited and enjoyed only by them. This instinctive assessment gradually morphed into a realization that there lies no shame in sharing one's sexual adventures with whoever cares to visit them and / or vicariously participate. The abiding caveat being, of course, to scrupulously maintain the privacy of the individuals who unwittingly share this largesse allowing for the enjoyment of countless third party participants. This book then is dedicated to those who venture to enjoy the erotic journeys of the senses. Are there those that do not ?

I went by Raquel, or sometimes Ashley. The name would change according to the client's membership status and how much he was willing to spend on me. Following a career working on the erotic side of Hollywood, I moved to New York and became a high-end escort for the now infamous Emperor's Club VIP. I was not a hooker. I was not a slut. Nor was I a "high-priced ho!" I was a young woman struggling to make it on my own, and one who happened to have a desire for excitement and adrenaline. I am probably a few steps removed from where your life path has taken you, and let me tell you, my path ended up being quite a ride - full of sex, money, power, fame, adventure and yes, several book's worth of stories. Part of that ride came to a sudden and life-shaking twist in early 2008, with one scandalous news report. As the media quickly became inundated with the story of the soon to be former N.Y. Governor Eliot

Spitzer and the high-end escort service associated with him, I struggled to keep a low profile and a cool sensibility, regardless of the unraveling drama that would personally affect my life forever. Having been tracked down by the FBI and subpoenaed to testify regarding my involvement with Emperors Club, I felt it was vital to immerse myself in the news to know exactly what I would be dealing with when the inevitable finally came crashing down. What I saw angered me greatly. It soon became apparent that there was a need to shed some light on the myths and misunderstanding surrounding the high-end adult entertainment industry. Setting a personal mission to help clear up some of the clouds surrounding my line of work, I have decided to expose myself once again in this tell-all confessional. Full of back door secrets, opinions, reports and actual journal entries I've kept throughout my time as an escort, this collection makes for one salacious, candid and enlightening book. This is my first-hand, true story. Part memoir, part diary, part erotica, this racy revelation will appeal to any adult curious about the erotic subculture of high-end escorting, particularly that of the notorious Emperors Club VIP and it's famous clients, all told through the open and honest eyes of one of the club's most elite companions. Sometimes it feels like the universe is conspiring to get things to end up in my mouth....or is that because I'm always thinking about putting things in my mouth? I'm sweet and innocent, so I'll blame it all on the law of attraction. couple that I can't stop thinking about. I re-tell them in a fictional way to protect the perverted and the married. Plus, you'll enjoy them more that way. She Dunks the Whole Team This is one of those stories that I SWORE I would never tell another living soul... because it makes me look like a total c-- dump sl--.... but quite a few of you secret perverts emailed me asking if I had ever had an experience with multiple participants. So I decided to tell this one. (Yes, there were others. Don't judge me. I work hard. Don't I deserve to play every once in a while?) And I did play this particular night, with a lot of balls. Gag Me, Officer I was gagging on my anger when this officer suggested that I was an escort. Moi? I was so offended that I had no choice but to take it out on his BBC. If you've read my other little tabloid tales, then you already know this one is based on a true experience. Yes, I was a bit of a tramp in this particular instance, but... but... but... there is a sweetness to this story. And it's not just the officer's jizz. Even with the aggressive scene, where he discovered my SECRET, it was still more like romantic sex than naughty perversion. A young officer with a budding career, soon to be married, soon to become a dutiful husband and a loving father: I was simply helping him transition into his new life and shedding his old one. ...Allowing him to leave all his frustrations, fear, and anxiety inside me. You read it and tell me if you see the situation the same way as I do. The T-Girl Next Door Short enough to pat on the head, cute dimples and one of the BBC I'd ever seen - Of course this is a love story. I actually don't know how you'll judge me for my involvement with this guy. After all, he was

another woman's man at the time. But in my defense... wait, no... I won't give away the ending. I will say that we were both at a crossroads in our lives at the time. Unlike some of my stories that are fan favorites, this is a sweeter tale. It's not all rough sex and me living out a dirty fantasy. I owe this guy a great deal. He showed me another side that I'd never considered before about why some straight guys go after special girls like myself. I should have known better. It's not always about fetishism. Submit to Mama! A big hairy a** and one of the nastiest attitudes you never want to encounter. Big as a linebacker, but still a spoiled brat. Coddled by his helicopter dad, who had been bailing him out of trouble since he could walk upright. He still drags his knuckles. You know? The guy that's at the center of all the drama when the cops show up to break up a bar brawl. That guy. I wonder if there is some scientific, biological, evolutionary correlation to the size of a man's sack and his attitude. The bigger the balls, the bigger the Neanderthal jerk persona? I was frightened and shaking in my heels the first time I encountered this guy. I was in fear of my life.

brand of Christianity. Confessions of a Rogue Missionary is an account of his struggle--and eventual failure--to reconcile his faith with reason. At times dryly humorous and at times sober and contemplative, the story begins when Henry is "born again." Brimming with zeal--but already plagued by doubt--he travels to Beijing as a missionary in the guise of an English teacher, where he tries desperately to embrace the culture and win disciples for Jesus. Culture clashes and miscommunications result in cringe-inducing encounters in unlikely settings, ranging from a brothel to a military base. Eventually, the very questions that troubled him from the start prove to be too much, and his faith collapses entirely, leaving him feeling disillusioned--but free.

De kleine, astmatische Gary Shteyngart verhuist van Leningrad naar Amerika. Zijn ouders hopen dat hij advocaat wordt, of op zijn minst een gewetensvolle ploeteraar op Wall Street, maar dat blijkt niet weggelegd voor hun dromerige zoon. Zijn moeder verzint de naam Misloeksjka â Kleine Mislukkeling. Een troetelnaam. Meestal. Schipperend tussen het Joods- Russische familieleven en de Amerikaanse ambitie, leeft hij in twee tegengestelde werelden, wensend dat hij een echt thuis vindt. En iemand die verliefd op hem zou worden. En iemand die hem 69 cent zou kunnen lenen voor een hamburger van McDonaldâ s. Op provocerende, hilarische en vindingrijke wijze laat Kleine Mislukkeling zien dat een levenslang buitenbeentje dankzij zijn verbeelding een literaire stem heeft, en tegen alle verwachtingen in, een plaats in de wereld.
