Christianity does not deny the Holy Spirit's existence and most Christians would confess they believe in the Spirit, at least with their head and creed. But few "experience" him in their daily walk or have a biblical understanding of who he is, why he came and what his role is in the Christian life. The Holy Spirit is a living presence""a person""and as such must be experienced, not neglected, within the church and the individual believer. The crucial role of the Spirit in Paul's life, thinking and theology was always that of the personal presence of God. As a Christian, a believing follower of Christ, the Spirit is the empowering presence experienced in our lives as we await the perfect ending of the Kingdom of God.

It is impossible to love God and at the same time be dispassionate about the study of God. Deep devotion to Jesus and an all-consuming desire to see his glory fill the earth should fuel the passion of anyone who ventures to write about God and help illuminate other people's understanding of God and his ways. Few themes call for as much of a blending of mind and heart as that of the Holy Spirit. The global spread of Pentecostal Christianity, often in context of urban poverty, has attracted much attention. The movement highlights a hunger for the experience of God in our world and provides millions of poor believers with hope for social transformation. Yet spiritual experience

needs a fully biblical understanding of the Holy Spirit with which its claims can be properly assessed. Ivan Satyavrata provides an introduction to the Bible's teaching on vital issues and questions, many of which have been, and continue to be, a source of confusion and controversy amongst Christians. Combining scholarly enquiry with accessibility, his deep theological reflections and passion for unity will contribute to constructive dialogue and appeal to a wide readership.

This volume explores the shape pneumatology takes when we develop the theology of the Holy Spirit within an eschatological framework that has a universal scope and an unlimited history. When we do so, we find that pneumatology deriving from questions about what the Spirit does for us needs to give way to pneumatology that derives from questions about how the Spirit can draw us into the saving history of the triune God.

Bruner has been both thorough and fair, and has written a book that combines scholarly research with constructive commentary on the life and mission of the contemporary Church. In 27 brief lessons on the Holy Spirit, James Howell introduces us to the third person of the Trinity, "this personal, elusive, invisible, powerful Spirit." Who is the Holy Spirit? What is the work of the Spirit? How can I connect with the Holy Spirit in my life? What would that look like? These are just a few of the questions believers may struggle with as they attempt to come to a fuller understanding of the Holy Spirit. Drawing on his own experience as well as the wisdom of other writers, Howell invites readers to know and experience God the Spirit. The title of the book comes from a quotation by Bernard of Clairvaux that it is appropriate to think of the Holy Spirit as a kiss. The author explains that Clairvaux "is imagining God the Father loving his son Jesus so tenderly that God would kiss the son, and the Spirit then would be that kiss." Some of the lessons are: The Spirit in the Trinity, Jesus and the Holy Spirit, The Spirit and Creation, The Spirit in Us, Culture and the Spirit, The Spirit in the Church, Sending the Comforter, The Spirit and Freedom, and The Spirit and the Future. Each lesson begins with a prayer written by the author. A study guide is included to assist small group leaders.

Do the programs crowding the typical church's weekly schedule today lack an essential element, one that is fundamental to their having the greatest spiritual impact? This biblically grounded book asserts that many leaders overlook the necessary precondition of discerning and cooperating with the empowering will of the Holy Spirit before putting their plans into action. *Growing the Church in the Power of the Holy Spirit* is a highly practical guide for nurturing relations between believers and the Holy Spirit, a process facilitated by seven dynamics.

- Love that draws us into engagement
- Faith and obedience
- Receiving divine guidance
- Exercising spiritual discernment
- Welcoming the gifts and manifestations of the Holy Spirit
- Intercessory prayer that shapes the future
- Seeing and responding to kairos moments

Advanced by the church leadership and brought into being by the Holy Spirit, these factors help congregations preach and teach, worship, heal, govern, make disciples of converts, and evangelize. One of this book's strengths is the use of case studies to illustrate how the seven dynamics can take root in local congregations.

THE BLESSING provides a balanced look at the experience known as the baptism of the Holy Spirit and what it means to be filled with the Holy Spirit. Speaking in tongues or praying in the Holy Spirit is a terminology that is associated with baptism in the spirit with the evidence of speaking in tongues. While it is evidently clear that the baptism of the Holy Spirit with the evidence of speaking in tongues is in line with Scriptures, there are many out there who want to know what they stand to get if they are baptised in the Holy Spirit with the evidence of speaking in tongues. This is the purpose and intent of this book to give you a biblical perspective on the benefits of praying in the Holy Ghost with the evidence of speaking in tongues. This book is by no means trying to impose the baptism in the Holy Spirit with the evidence of speaking in tongues on you. It only gives you the Bible perspective on what the baptism of the Holy Spirit with the evidence of speaking in tongues does to every believer who opens his heart to the Holy Spirit to fill him. The disciples lead a very simple and quiet life prior to the experience of the Holy Spirit in the upper room. No one knew them and their work was often shrouded in quietness. No miracle was ever performed by them and everything in their lives was a gentle, quiet moving stream. But on the day of Pentecost, when cloven tongues as of fire landed on each of the disciple's everything changed. Miracles, signs, and wonders trail them everywhere they went. The sick while getting healed, the oppressed free, and salvation was made cheaply available to as many who wanted to accept Jesus as their Lord and Saviour. One thing was responsible for this shift in the level of spiritual experiences that the disciples began to see. It is called the baptism of the Holy Spirit with the evidence of speaking in tongues. As you read the pages of this book, I want you to do one thing - open your heart to the Holy Spirit to help you understand the benefits of praying in tongues for a believer. If you have been hesitant about the baptism of the Holy Spirit with the evidence of speaking in tongues, this book is for you. It tells you what the Bible says and leaves you with the decision on whether to get baptised in the Holy Spirit with the evidence of speaking in tongues or not. If you are a believer and want to know the benefits of praying in tongues which you have been doing for a long time, this book is also for you. It will open your eyes to new light which you do not know previously so that you can pray in tongues with an understanding. I present to you the 50 benefits of praying in tongues or of praying in the spirit. The Holy Spirit in the Christian Experience draws lessons from the growth of the plant in nature. Jesus used this illustration to explain to us the work of grace in the Christian experience. This book will show us how the Holy Spirit works in the heart of a person to reprove, convert, enable, and strengthen us to live for God. Further, the work of the Spirit teaches us that it is only in listening to Christ's voice and obeying His Word that our faith and worship will be acceptable to God. True spirit-filled worship and living cannot purposely go contrary to the Holy Bible. When we are living in the Spirit, our worship and daily lifestyle will be in harmony with the principles of Christ as revealed in God's Word. The still small voice of conviction, guided by the Word of God, shall ever be speaking, "This is the way, walk ye in it, when ye turn to the right hand, and when ye turn to the left" (Isaiah 30:21 KJV).

This work deals with issues surrounding the manifestation of the Spirit in prayer from theological and practical points of view. The treatment is orthodox, yet it is charismatic in tone and practical in presentation. It is a culmination of thirty years of study and experience received from conducting seminars spanning denominational lines. It has broad appeal to charismatic, Pentecostal, and

parachurch groups, yet it has reached into evangelical, mainline, Catholic Pentecostal, and ecumenical groups because of its reasoned theological and biblical content.

THE HOLY SPIRIT IS A PERSON, EXACTLY LIKE GOD THE FATHER AND THE SON. SADLY, HE IS THE LEAST KNOWN OF THE TRINITY. YET, JESUS PUTS SUCH EMPHASIS ON HIM THAT MUST NOT ESCAPE HUMAN ATTENTION. FOR, TO KNOW GOD WITHOUT KNOWING THE HOLY SPIRIT, IS TO KNOW GOD, ONLY IN PART.

This research has focused on the role of the Holy Spirit in Christian suffering. A broad concept of suffering is excluded in the study. Of particular concern to this research is 'suffering for the sake of Jesus Christ'. Methods employed in the study are: narrative approach, dialogical approach and synthesis.

Dynamic, Never-Before-Published Work on the Holy Spirit from A.W. Tozer What does it mean to have the Holy Spirit in our lives? Many look to extraordinary experiences and manifestations as evidence of the Spirit. But what happens when the event is over? How can we experience the Holy Spirit in the ordinary, everyday world? How can we be filled with the Spirit? In this material taken from Tozer's sermons, he answers these questions and explores life in the Spirit from a balanced perspective. The church needs the gifts of the Spirit--all of them--or it will never be what God intends it to be. But this has to happen in wisdom and humility. Many people talk about being filled with the Holy Spirit, but very few accept the conditions for being filled. Tozer lays down requirements for the Holy Spirit to come into our lives and transform us into Spirit-filled people. Though every Christian has the Holy Spirit, not every Christian is filled with the Holy Spirit. He explains the difference and how it could change the evangelical church of today.

Who is the Holy Spirit and how can you walk in His power? Jesus walked in the power of the Holy Spirit and declared His disciples would do even greater works (Luke 4:14, John 14:12). Today, God's power can still be released in and through Christians who will meet the Holy Spirit on His terms. In this book, the author introduces the ministry of the Holy Spirit, how His power can transform us and why we should know Him in all His fullness, as an indwelling Person.

Drawing from the powerful experiences of Rees Howells, Evan Roberts and many other influential servants of the Lord Jesus Christ, the author unveils the secrets of going deeper with God, and how to grow beyond being blessed by the Holy Spirit, to be filled with the fullness of God (Ephesians 3:19). I wish to urge all Christians, especially ministers of the gospel, to give *The Spirit-Filled Life* a prayerful reading. I feel confident it will bring them help and blessing.

It will deepen the conviction of the great need and absolute duty of being filled with the Spirit. It will point out the hindrances and open up the way. It will stir up faith and hope. And I trust it will bring many people to feel that it is at the footstool of the throne – in the absolute surrender of a new consecration – that the blessing is to be received from God himself. May this book stir up all its readers, not only to seek this blessing for themselves, but also to pray earnestly that God may give the Holy Spirit in power throughout His whole church. It is when the tide comes in that every pool is filled and all the separate little pools are lost in the great ocean. As all believers who know or seek this blessing begin to pray as intensely for each other and all their brethren as for themselves, this is when the power of the Spirit will be fully known. With the prayer that this Spirit-filled book may be greatly blessed of God, I commend it to the study of His children. -

And immediately I was in the spirit: and, behold, a throne was set in heaven, and one sat on the throne. Revelations 4:2 The life a believer ought to be a supernatural one. We have been born into a heavenly or spiritual realm and thus should be able to interact with that realm and access the fullness of its powers and glory. In other words, the believer should not be disadvantaged in any way as we have the ability to fully function in and from the realm of the spirit where everything that manifest in the physical realm is determined. . Also, just like the fictional ‘superman’ a believer should be able to by-pass time and space and be transported into different parts of the world and into different realms by the Spirit. The scriptures clearly show us this. But sadly, this is not the reality as some believers are limited and manipulated by Satan and his cohorts where they are supposed to reign. This is largely because they do not understand the realms of the spirit-how to function in it and the limitless possibilities when one lives or functions from that realm, this Satan and his demons understand. Thus Satan will do anything to stop the believer from attaining full spiritual faculty functionality. I want you to know that there are limitless possibilities to a believer who understands the realm of the spirit. However, full functionality in the spirit requires the believer to develop the habit of being in the spirit. In other words, the believer has to learn how to enter, stay or spend more time in the spirit. This is what the Holy Spirit will have me reveal to you in this book. I will share with you the necessity of being in the spirit, the different levels and dimensions of being in the spirit and the effects of being in the spirit. I will also share with you some amazing experiences I have had in the realms of the spirit. Just like John in the scripture shared above, I have been transported in the spirit countless times to see, hear, interact and experience life in that realm, and I am so excited to be able to share these experiences with you in this book. One thing is for sure - this revelation will change your life if you will give yourself to reading and deeply meditating on it by the Spirit.

In *The Holy Spirit and Christian Experience*, Simeon Zahl presents a fresh vision for Christian theology that foregrounds the relationship between theological ideas

and the experiences of Christians. He argues that theology is always operating in a vibrant landscape of feeling and desiring, and shows that contemporary theology has often operated in problematic isolation from these experiential dynamics. He then argues that a theologically serious doctrine of the Holy Spirit not only authorizes but requires attention to Christian experience. Against this background, Zahl outlines a new methodological approach to Christian theology that attends to the emotional and experiential power of theological ideas. This methodology draws on recent interdisciplinary work on affect and emotion, which has shown that affects are powerful motivating realities that saturate all dimensions of human thinking and acting. In the process, Zahl also explains why contemporary theology has often been ambivalent about subjective experience, and demonstrates that current discourse about God's activity in the world is often artificially abstracted from experience and embodiment. At the heart of the book, Zahl proposes a new account of the theology of grace from this experiential and pneumatological perspective. Focusing on the work of the Holy Spirit in salvation and sanctification, he retrieves insights from Augustine, Luther, and Philip Melancthon to present an affective and Augustinian vision of salvation as a pedagogy of desire. In articulating this vision, Zahl engages critically with recent emphasis on participation and theosis in Christian soteriology, and charts a new path forward for Protestant theology in a landscape hitherto dominated by the theological visions of Barth and Aquinas.

Geoffrey F. Nuttall establishes the primacy of the doctrines of the Holy Spirit in seventeenth-century English Puritanism and demonstrates the continuity of the Reformation tradition from the more conservative views of Luther to the more radical interpretations of the Quakers. Nuttall illuminates prominent spokesmen, including Richard Sibbes, Richard Baxter, John Owen, Walter Cradock, Morgan Llwyd, and George Fox. In a new Introduction, Peter Lake discusses the relevance of Nuttall's book to, and its influence on, major works in seventeenth-century English history written since 1946.

You're Never Alone! God is a revelation and Christianity is a relationship built on that. God who is a relationship being created humans to be in an eternal relationship with Him. Man is a spirit, has a soul and lives in a body. The true measure of spirituality is the ability to relate with God personally. When we cooperate with the Holy Spirit, He will lead us to the multi-dimensional knowledge of God's secrets and mysteries. For us to cooperate with Him, we must know who He is and develop consciousness of His presence. There is limited understanding of His personality. When we mention the Holy Spirit, what comes to the mind of most people is a dove, fire, wind, force, power, a form or figure. Some Christian folks are quick to say that He is easily grieved and this is the main reason so many are afraid of relating with Him.
