This hugely successful global history of the twentieth century is written by four prominent international historians for first-year undergraduate level and upward. Using their thematic and regional expertise, the authors have produced an authoritative yet accessible and seamless account of the history of international relations in the last century, covering events in Europe, Asia, the Middle East, Africa and the Americas. They focus on the history of relations between states and on the broad ideological, economic and cultural forces that have influenced the evolution of international politics over the past one hundred years. The third edition is thoroughly updated throughout to take account of the most recent research and global developments, and includes a new chapter on the international history of human rights and its advocacy organizations, including NGOs. Additional new features include: New material on the Arab Spring, including specific focus on Libya and Syria Increased debate on the question of US decline and the rise of China. A timeline to give increased context to those studying the topic for the first time. A fully revised companion website including links to further resources and self-testing material can be found at

VOYAGES IN WORLD HISTORY, BRIEF EDITION, masterfully uses the theme of movement—the journeys of peoples, ideas, and goods—to help students make sense of the huge range of people, places, and events throughout history. Each chapter is framed around the story of a person who traveled within the time period and region under discussion. Students can practice being critical readers by evaluating the traveler’s observations and attitudes. A primary source feature, “Movement of Ideas,” helps students develop the core skill of analyzing sources by allowing them to compare multiple explanations of significant ideas. This brief text meets the needs of instructors who want a lively narrative style without sacrificing the themes and pedagogy that make world history understandable to students; it is also ideal for instructors who want to supplement a text with many primary sources. Available in the following options:
