harder than she thought to put the past behind her and find her happy ending. And when the trauma of war is felt even in the usually peaceful village, will Evie and those she cares about emerge unscathed?

This book merges and harmonizes the four Gospels of Matthew, Mark, Luke, and John into one. This unified version, which I call The Gospel, is based on the faith that the four different gospels exist in order to form together the complete story of Jesus life and ministry. I consolidated these sources by identifying common denominators among them as well as parts that are unique to each, and then interweaving it all into a single narrative, using only original texts. This integrated version may offer greater incentive to our youth, laymen, and non-believers as well as professionals to read and learn more about what Jesus did and taught. (Acts 1:1). In the past, there have been many attempts to make the four Gospels easier for readers, often displaying similar episodes in parallel columns, in an effort to resolve the Gospels narrative complexity by harmonizing them in one way or another; however, in regard to the text itself, previous books do not rise to the level of precision and completeness that is achieved here. Answering this need for a clear chronological telling of The Story of Jesus, this book unifies every account of the four Gospels into a single story, without omitting or compromising any part. On a given topic in Jesus ministry, this book uses as its base whichever gospel is the greatest common denominator, consolidates identical or similar parts from other Gospels, and integrates the unique and different elements of each book into a single story.

Resourceful Bingo Riggs and his partner, Handsome Kusak, are in the sucker-bait business, snapping candid pics of tourists off Central Park. Their fly-by-night enterprise can be irresistible to souvenir lovers, but with one camera in a pawnshop and their developing room in the bathtub of a two-room dump near Hell's Kitchen, their venture is wretchedly underexposed—until they stumble upon an insurance fraud scheme between the allegedly dead eccentric Mr. S. S. Pigeon and his business partner and beneficiary. There's only one way for Bingo and Handsome to muscle in on that half-million-dollar claim: Kidnap Pigeon and blackmail his coconspirator. Unfortunately, their foolproof plan comes with mobsters, a dodgy chorus girl, multiple murders, a refrigerated corpse, and the strange Mr. Pigeon himself, who, it seems, likes being a hostage. In fact, he has no intention of escaping. It's the surest way to protect his own secret—which could be Bingo and Handsome's biggest threat. The first mystery writer ever to make the cover of Time magazine, Craig Rice is a "composite of Agatha Christie's ingenuity, Dashiell Hammett's speed, and Dorothy Sayers's wit" (Louis Untermeyer, Gold Medal Award-winning poet). The Sunday Pigeon Murders is the 1st book in the Bingo Riggs and Handsome Kusak Mysteries, but you may enjoy reading the series in any order.

This is the true life story of Smokey, King of the horse-duffers. One hundred years ago, as the Boer War came to an end, the rugged Kimberley Range formed the roughest and most remote cattle-country in Australia. It was five days hard ride from the nearest township of Wyndham to Smokey's Kimberley Underworld hideout. The police patrols sent out to arrest King Smokey faced a daunting task. The few passes through the forbidding King Leopold Ranges were guarded by fierce Aboriginal warriors known as Munjons. The Munjons waged a bitter war with the white stockmen, but for every spearing of the cudeas' cattle, there were savage reprisals and massacres. For Smokey and his loyal teenage follower Colt, there is the ultimate freedom of fast-riding outlaws. Whether it's stealing mobs of horses or seducing young women, hunting down a brutal murderer or escaping from the mounted troopers with their black trackers, sex in the billabong with Pixie and

Jilly or riding an outsider in the Wyndham Cup, the Colt leads a life of which every young man dreams. In the tradition of master story-teller Ion Idriess, *Outlaws of the Kimberley Underworld* is an action-packed thriller that makes the American Wild West look like a kindergarten. Author Geoff Allen spent thirteen years researching these stories while working as a ringer on a cattle stations in the Kimberley and Northern Territory. Author of *The Gun Ringer*, *Ballads of the Kimberley* and *Blue Bostock*, he has won many national awards for his bush ballads.

But being a pawn of Big Law often means defending the corporate dirt bags of the world—the spillers, the drillers, and the killers. Morality aside, Carney is starting to make a name for himself, despite having a father who resents his success and an unpredictable big brother bent on self-destruction. So when Carney is suddenly asked by his firm's chairman to represent the plaintiffs in a class action lawsuit—and not, as usual, the corporate bad guys—he warily accepts. Maybe they're turning a corner, he thinks. And even if they aren't, when else has a junior partner been assigned such a major case, with a possible billion dollar payout? But Carney can't fool himself for very long. As he digs deeper into the case, he uncovers corruption and maliciously orchestrated schemes that go straight to the top of Dunn & Sullivan—along with the true motives behind his placement on the case. Written by former top litigator Ron Liebman, *Big Law* is a thrilling, fast-paced roman à clef that exposes the secrecy, deception, and machinations underlining America's most powerful mega-firms.

The debut novel of the winner of the Man Booker Prize 2015 Jamaica, 1957 On a day beginning with a bad omen – black vultures, known locally as John Crows, crash through the local church windows – a handsome and charismatic stranger drags the village preacher from his pulpit and takes over both church and congregation. Promising vengeance and damnation, he wastes no time delivering both, and in doing so starts a power struggle that sets the village of Gibbeah on a path to destruction. With language as taut as classic works by Cormac McCarthy, and a richness reminiscent of early Toni Morrison, John Crow's Devil is a terrifying and moving novel about religious mania, redemption, sexual obsession and the eternal struggle between the righteous and the wicked.

Montgomery "Monty" Graves thought he had a future full of promise, one secure in God's love. But when neighborhood hoodlums gun down his grandmother, Monty turns his back on the church, loses his faith, and begins a lifetime of struggle. Monty shuffles between foster care homes and is expelled from numerous schools, but he never finds the peace he once had when his grandmother was alive. His two friends, Jenaye and B.J., provide one source of comfort, but it's not enough. After college, Monty lands a top corporate job, works his way up the

ladder, and is promoted to vice president. He's trying to start a relationship with Jenaye, but there's something holding him back. Could it be his vendetta against God? But God has plans for Monty, and they don't include additional wealth or success. Monty is about to be brought to his knees like never before, and he can either accept his fate or cling to the past.

"Subverts the simplistic sunshine/reggae/spliff-smoking image of Jamaica at almost every turn . . . with a rich interplay of geographies and themes." —Los Angeles Times From Trench Town to Half Way Tree to Norbrook to Portmore and beyond, the stories of Kingston Noir shine light into the darkest corners of this fabled city. Joining award-winning Jamaican authors such as Marlon James, Leone Ross, and Thomas Glave are two "special guest" writers with no Jamaican lineage: Nigerian-born Chris Abani and British writer Ian Thomson. The menacing tone that runs through some of these stories is counterbalanced by the clever humor in others, such as Kei Miller's "White Gyal with a Camera," who softens even the hardest of August Town's gangsters; and Mr. Brown, the private investigator in Kwame Dawes's story, who explains why his girth works to his advantage: "In Jamaica a woman like a big man. She can see he is prosperous, and that he can be in charge." Together—with more contributions from Patricia Powell, Colin Channer, Marcia Douglas, and Christopher John Farley—the outstanding tales in Kingston Noir comprise the best volume of short fiction ever to arise from the literary wellspring that is Jamaica. "Thoroughly well-written stories . . . fans of noir will enjoy this batch of sordid tales set in the sweltering heat of the tropics." —Publishers Weekly "An eclectic and gritty mélange of tales that sears the imagination . . . Kingston Noir proves its worth as a quintessential piece of West Indian literature—rich, artistic, timeless, and above all, draped in unmistakable realism." —The Gleaner (Jamaica)
