

## Your Erroneous Zones

The bestselling author of *Your Erroneous Zones*, *Pulling Your Own Strings*, and *Wisdom of the Ages* combines psychological insights and guidelines for achieving spiritual fulfillment to present a three-step program designed to help readers look inside themselves to find a new sense of self-awareness and spiritual joy. Developing the sacred self, Wayne Dyer explains, brings an understanding of our place in the world and a sense of satisfaction in ourselves and others. In *Your Sacred Self*, Dyer offers a program that helps listeners establish a spiritually-oriented, rather than an ego-oriented, approach to life. Step by step, Dyer shows us how to progress from emotional awareness to psychological insight to spiritual alternatives in order to change our experience of life from the need to acquire to a sense of abundance; from a sense of one's self as sinful and inferior to a sense of one's self as divine; from a need to achieve and acquire to an awareness that detachment and letting go bring freedom. *Your Sacred Self* is an inspiring, hopeful, illuminating guide that can help everyone live a happier, richer, more meaningful life.

**DESCRIPTION OF THE ORIGINAL BOOK:** In this work, the author Wayne W. Dyer, presents an original vision of the possibilities of personal development and achievement of goals. It establishes that humans have been created as units that contain all the potentialities necessary to live with fulfillment and happiness. However, not all people live happily. This happens because since we are born, by external influences, we form in our personality "erroneous zones" that block us and impede our personal fulfillment. Where are they, what do they mean, where do they take us and how can we overcome those erroneous zones that block us? That is the theme of this book, which shows you the path to happiness, a path based on responsibility and commitment to oneself.

National Bestseller This inspiring book by Wayne Dyer, author of the bestselling classics *Your Erroneous Zones* and *Pulling Your Own Strings*, delves into the teachings of intellectuals of our past to mine values and wisdom for the present. "What do our ancestral scholars, whom we consider the wisest and most spiritually advanced, have to say to us today?" asks Dyer. The answer lies in this powerful collection of writings, poems, and sayings by some of the greatest thinkers of the past twenty-five centuries. In succinct original essays, Dyer sets out to explain the meaning and context of each piece of wisdom, and, most important, to explain how we can actively apply these teachings to our modern lives. From sixty ancestral masters – Buddha, Michelangelo, Rumi, Whitman, Jesus, Emily Dickinson, and Emerson, among others – here are treasured passages on a variety of subjects, including solitude, time, and passion. Among the contributions are words on inspiration from Pantanjali, author of the Hindu classic *Yoga Sutras*; teachings about the power of prayer from 13th-century monk St. Francis of Assisi; and thoughts about the importance of action written by Mother Teresa. The voices collected here cut across a wide range of historical eras and cultures, yet they communicate universal truths about the human experience. *Wisdom of the Ages* provides us with a marvelous dual opportunity: to receive guidance from our great ancestors and to recognize our own potential for greatness

Op 30 juni 1960 werd de Belgische kolonie Congo onafhankelijk verklaard. Koning Boudewijn schetste in een erg paternalistische redevoering een rooskleurig beeld van de kolonisatie. Tegen het protocol in kwam de verkozen Congolese premier Lumumba met een onverwachte speech: hij richtte zich niet tot de meesters van weleer, maar tot 'de Congolese mannen en vrouwen, strijders voor de onafhankelijkheid die vandaag hun overwinning vieren'. Op 17 januari 1961 werd Lumumba vermoord in Katanga, de rijke koperprovincie die ondertussen met Belgische hulp, van Congo was afgescheurd. In dit boek wordt aan het licht gebracht wie Patrice Lumumba heeft vermoord, waarom en hoe dit is gebeurd. Dit verhaal van een aangekondigde moord werd geschreven in Brussel, waar men van oordeel was, dat de liquidatie van Lumumba onontbeerlijk was, om de belangen van de trusts die de kolonie als hun wingewest ontgonnen, voor de toekomst veilig te stellen. In 2010 dienden de nabestaanden van Patrice Lumumba bij het Brussels gerecht een klacht in tegen een tiental Belgen voor hun betrokkenheid bij de moord. De klacht is ontvankelijk verklaard, en een onderzoek is opgestart. Begin 2016 dook bijkomende bewijsmateriaal op, toen bij een huiszoeking in de nalatenschap van een Belgisch politiecommissaris, resten van de vermoorde premier werden gevonden. Tien jaar na de indiening van de klacht wachten we nog altijd op de resultaten van het onderzoek. Waarom? Is het de bedoeling om het onderzoek te rekken tot alle aangeklaagde personen zijn overleden, en de klacht zonder voorwerp wordt?

"This book offers you an opportunity to internalize and directly experience the great wisdom of the Tao Te Ching, a collection of verses authored by the Chinese prophet Lao-tzu." The words Tao Te Ching translate to 'living and applying the Great Way.' Although just 81 short verses, the Tao encourages you to change your life by literally changing the way you think. By reading through the verses presented here (which I've pieced together after reviewing hundreds of translations)—along with the corresponding affirmation I've created for each verse—you'll be embarking on a path that encompasses the profound ideas that Lao-tzu intended to convey." The Tao Te Ching offers you Divine guidance on virtually every area of human existence. It is a new way of thinking in a world that needs to recapture its ancient teachings. Work with the verses and affirmations regularly and you will come to know the truth behind the ancient Tao observation: When you change the way you look at things, the things you look at change." — Dr. Wayne W. Dyer

From the inspirational leader and author of the international bestsellers *Your Sacred Self* and *Your Erroneous Zones* comes this mind-awakening guidebook for making your desires reality. Wayne Dyer is an extraordinary sensor of what people want and he moves with the ever-changing times. He focused on the heart of the spiritual with *Real Magic* and embraced individual sacredness with *Your Sacred Self*. In this enlightening work, he takes these concepts one step further to focus on meditation and manifesting what you want. Based on ancient principles and spiritual practices, *Manifest Your Destiny* teaches the process of meditation as a way to streamline your thoughts, desires, goals, and, ultimately, your life. Are the decisions and actions in your life controlled by your ego? Are you weighted down with unresolved troubles? Do you feel out of touch with your environment? Do you complain, find fault, or take for granted more often than you appreciate your life? You can overcome these barriers with Dyer's technique, as outlined in his *Nine Spiritual Principles* that will teach you to develop spiritual awareness, reconnect with the world, trust yourself and accept your worth, and let go of demands. Filled with warmth and insight, this invaluable book will help you achieve your goals and take you to a level higher than you've ever dreamed.

Five hundred years before the birth of Jesus, a God-realized being named Lao-tzu in ancient China dictated 81 verses, which are regarded by many as the ultimate commentary on the nature of our existence. The classic text of these 81 verses, called the *Tao Te Ching* or the *Great Way*, offers advice and guidance that is balanced, moral, spiritual, and always concerned with working for the good. In this book, Dr. Wayne W. Dyer has reviewed hundreds of translations of the *Tao Te Ching* and has written 81 distinct essays on how to apply the ancient wisdom of Lao-tzu to today's modern world. This work contains the entire 81 verses of the *Tao*, compiled from Wayne's researching of 12 of the most well-respected translations of text that have survived for more than 25 centuries. Each chapter is designed for actually living the *Tao* or the *Great Way* today. Some of the chapter titles are "Living with Flexibility," "Living Without Enemies," and "Living by Letting Go." Each of the 81 brief chapters focuses on living the *Tao* and concludes with a section called "Doing the *Tao* Now." Wayne spent one entire year reading, researching, and meditating on Lao-tzu's messages, practicing them each day and ultimately writing down these essays as he felt Lao-tzu wanted you to know them. This is a work to be read slowly, one essay a day. As Wayne says, "This is a book that will forever change the way you look at your life, and the result will be that you'll live in a new world aligned with nature. Writing this book changed me forever, too. I now live in accord with the natural world and feel the greatest sense of peace I've ever experienced. I'm so proud to present this interpretation of the *Tao Te Ching*, and offer the same opportunity for change that it has brought me." Affectionately call the 'father of inspiration' by his fans, Dr. Wayne W. Dyer is an internationally renowned author and speaker in the field of self-development. He is the author of more than 30 books, has created many audio programs and videos and has appeared on thousands of television and radio shows. Despite his childhood spend in orphanages and foster homes, Dr. Dyer has overcome many obstacles to make his dreams come true. Today he spends much of his time showing others how to do the same. The *Essential Wayne W. Dyer Collection* is an omnibus of three of Wayne's best-selling titles: *The Power of Intention*, *The Shift* and *Excuses Begone*. The word *intention* is generally defined as a pit-bull kind of determination propelling one to succeed at all costs by never giving up on an inner picture. In this view, an attitude that combines hard work with an indefatigable drive toward excellence is the way to succeed. However, *intention* is viewed very differently in *The Power of Intention*. Dr. Wayne W. Dyer has researched *intention* as a force in the universe that allows the act of creation to take place. This book explores *intention* - not as something you do - but as an energy you're a part of. We're all intended here through the invisible power of *intention*. This is the first book to look at *intention* as a field of energy that you can access to begin co-creating your life with the power of *intention*. *The Shift* illustrates how and why to make the move from ambition to meaning. As we contemplate leaving the morning of our life, where ego has played a commanding role, and entering the afternoon (and evening), where meaning and purpose replace ambition and struggle, we may encounter unexpected occurrences that accompany this new direction. It's almost a universal law that we'll experience a fall of some kind. Yet these falls or low points provide the energy we need to move away from ego and into a life of meaning and purpose. This doesn't mean that we lose our drive and ambition; it signifies that we become ambitious about something new. We make a commitment to living a life based on experiencing meaning and feeling purposeful, rather than a life based on never-ending demands and false promises that are the trademark of the ego's agenda. With the pages of *Excuses Begone*, Dr. Wayne W. Dyer reveals how to change the self-defeating thinking patterns that have prevented you from living at the highest levels of success, happiness, and health. Even though you may know what to think, actually changing those thinking habits that have been with you since childhood might be somewhat challenging. In this groundbreaking work, Wayne presents a compendium of conscious and subconscious crutches employed by virtually everyone, along with ways to cast them aside once and for all. You'll ultimately realize that there are no excuses worth defending, ever, even if they've always been part of your life - and the joy of releasing them will resonate throughout your very being. When you eliminate the need to explain your shortcomings or failures, you'll

awaken to the life of your dreams. The Essential Wayne W. Dyer Collection is the perfect read for those who want to deepen their understanding of Wayne's teachings, as well as anyone who would like to have all their favourite Dyer titles together in one volume. As a bonus, a copy of the Ambition to Meaning DVD is also included. This feature film is based on the themes in The Shift.

For example, families can be tremendously coercive and demanding, but they can also be an immensely rewarding part of your life. Dyer shows how to cope with the negative side and contribute to the positive. In their working life, many people stay in unfulfilling jobs because they feel constrained by their present experience or because they fear change. Dyer shows that by being enthusiastic and flexible, you can find the work to be happy. Life, Dyer says, is a beautiful thing as long as you hold the strings. *Pulling Your Own Strings* will give you the dynamic strategies and tools to master your own fate.

**SOBRE O LIVRO ORIGINAL:** Nesta obra, seu autor Wayne W. Dyer, apresenta uma visão original das possibilidades de desenvolvimento pessoal e realização dos objetivos. Estabelece que os seres humanos foram criados como unidades que contêm todas as potencialidades necessárias para viver com plenitude e felicidade. No entanto, nem todas as pessoas vivem felizes. Isso acontece porque desde que nascemos, por influências externas, formamos em nossa personalidade "zonas erradas" que nos bloqueiam e impedem nossa realização pessoal. Onde eles estão, o que eles querem dizer, para onde eles nos levam e como podemos superar essas zonas errôneas que nos bloqueiam? Esse é o tema deste livro, que mostra o caminho para a felicidade, um caminho baseado na responsabilidade e no comprometimento consigo mesmo. **INTRODUÇÃO:** As pessoas vivem com base em seus próprios valores, crenças, preconceitos e histórias pessoais. Dependendo deles, em face do mesmo fato, diferentes pessoas terão diferentes percepções, porque essas percepções são condicionadas pela história que viveram e pelas crenças que desenvolveram. Olhar para si mesmo em profundidade, com a intenção de mudar algo que te fere, que te deixa doente, não é uma tarefa fácil. Pode ser algo que você realmente quer fazer, mas seu comportamento pode provar o contrário. Isso ocorre por causa dessa mochila de suposições anteriores que você integrou à sua personalidade. O estado de saúde é um estado natural e os meios para alcançá-lo estão dentro de você. O procedimento para alcançar a felicidade baseia-se em ser responsável por si mesmo, em comprometer-se consigo mesmo, em querer viver e alcançar as metas com as quais sonha tanto.

How would an intelligent visitor from another planet react to life on Earth? Would we welcome that visitor's presence and views? Are we ready for such an open exchange? Weaving together science fiction, spirituality, and philosophy with wisdom, humor, and plain common sense, Wayne Dyer tells the story of two peaceful beings from different worlds who work together to enhance the well-being of all. The gifts that Eykis brings to the people of Earth help them see themselves in a new light, and compel them to rethink their negative actions. Her insightful offerings will move you to new emotions, new behaviors, and a new understanding of humankind's limitless possibilities.

Following in the footsteps of Dr. Wayne Dyer's first children's book, the bestseller *Incredible You!* this work goes even further toward expressing Wayne's positive message for children. In *Unstoppable Me!* Dr. Dyer teaches children how to hold on to the no-limit thinking he believes they were born with, rather than just trying to "fit in." In doing so, they can learn to truly enjoy life and become unstoppable as they strive to attain their dreams. The 10 important lessons in this book include the value of taking risks, dealing with stress and anxiety, and learning to enjoy each moment. Each point includes an example showing how a child might apply the concept in his or her everyday life. Similar to *Incredible You!* there are questions at the end of the book to help spark discussion and to further reinforce Wayne's message.

Byron Katie is de grondlegger van The Work, een methode om negatieve gedachten op te sporen en te onderzoeken. In *Vraag jezelf vrij* laat zij zien dat emoties zoals verdriet, boosheid en ontevredenheid worden veroorzaakt door het feit dat we onze negatieve gedachten geloven. Door jezelf vier belangrijke vragen te stellen leer je dat onze gedachten niet altijd ons leven hoeven te bepalen. Op die manier verliezen negatieve gedachten hun macht. Wanneer we accepteren dat onze gedachten niet de waarheid verkondigen, is het makkelijker om er afstand van te nemen. Pas dan kunnen we met mildheid kijken naar anderen en naar onszelf. Bevrijd je van destructieve en onware gedachten, stel je hoofd en hart open en word gelukkig. 'Katie slaat de spijker op zijn kop!' In *Stop the Excuses*, Dr. Wayne W. Dyer reveals how to change lifelong, self-defeating thinking patterns that prevent you from living at the highest levels of success, happiness and health. You may know what to think but find it terribly difficult to actually change thinking habits that have been with you since childhood. People are forever using excuses and defending those excuse patterns as if they were actually true. Such statements as 'It would be very difficult for me to change...', 'If I changed, it would create family dramas...', 'I'm too old/young to change...', and 'I've always been this way...' are all excuses that are used regularly without challenging the truth of these thinking habits. When you eliminate excuses that explain your shortcomings or failures, you'll awaken to your infinite possibilities.

Within the pages of this transformational book, Dr. Wayne W. Dyer reveals how to change the self-defeating thinking patterns that have prevented you from living at the highest levels of success, happiness, and health. Even though you may know what to think, actually changing those thinking habits that have been with you since childhood might be somewhat challenging. If I changed, it would create family dramas . . . I'm too old or too young . . . I'm far too busy and tired . . . I can't afford the things I truly want . . . It would be very difficult for me to do things differently . . . and I've always been this way . . . may all seem to be true, but they're in fact just excuses. So the business of modifying habituated thinking patterns really comes down to tossing out the same tired old excuses and examining your beliefs in a new and truthful light. In this groundbreaking work, Wayne presents a compendium of conscious and subconscious crutches employed by virtually everyone, along with ways to cast them aside once and for all. You'll learn to apply specific questions to any excuse, and then proceed through the steps of a new paradigm. The old, habituated ways of thinking will melt away as you experience the absurdity of hanging on to them. You'll ultimately realize that there are no excuses worth defending, ever, even if they've always been part of your life—and the joy of releasing them will resonate throughout your very being. When you eliminate the need to explain your shortcomings or failures, you'll awaken to the life of your dreams. Excuses . . . Begone!

"Intention is a force in the universe, and everything and everyone is connected to this invisible force." Intention is generally viewed as a pit-bull kind of determination propelling one to succeed at all costs by never giving up on an inner picture. In this view, an attitude that combines hard work with an indefatigable drive toward excellence is the way to succeed. However, intention is viewed very differently in this book. Dr. Wayne W. Dyer has researched intention as a force in the universe that allows the act of creation to take place. This book explores intention—not as something you do—but as an energy you're a part of. We're all intended here through the invisible power of intention. This is the first book to look at intention as a field of energy that you can access to begin co-creating your life with the power of intention. Part I deals with the principles of intention, offering true stories and examples on ways to make the connection. Dr. Dyer identifies the attributes of the all-creating universal mind of intention as creative, kind, loving, beautiful, expanding, endlessly abundant, and receptive, explaining the importance of emulating this source of creativity. In Part II, Dr. Dyer offers an intention guide with specific ways to apply the co-creating principles in daily life. Part III is an exhilarating description of Dr. Dyer's vision of a world in harmony with the universal mind of intention.
